The Dogfighters:

The Saga of Erik the Viking Terry Jones, 2013-04-11 The fantastically brilliant and amazingly adventurous saga of Erik the Viking returns in this special 30th anniversary edition As Erk and the crew of The Golden Dragon set off in search of adventure little do they know that their courage skill strength and stamina will all be tested to the extremes Includes an exclusive foreword from Terry Jones and newly coloured illustrations from Michael Foreman **Beginning Light** Marie Silva, 2022-05-31 In the year 2536 The Unified Consortium Alliance is in a devastating war against a mysterious enemy known as the Prax Order And they are in desperate need of help Seeking out assistance in unclaimed space they come in contact with the E S hanti Tribes The older members of the Alliance knew who the E S hanti are and encouraged the other members to consider their offer of help even though the E S hanti are as mysterious as their enemy All the E S hanti wanted from the Alliance was for them to come to their territory on a space vessel designed by the E S hanti to go by the name of Oracle and two specific people were to be onboard Captain Steven Garrison and Commander Cameron Quinn Steven Cameron and the crew of the Oracle will venture out into the unclaimed space to meet with the E S hanti while traversing through new personal relationships the danger of their enemy chasing them an enemy agent onboard to cause trouble and the legend that connects the two people specifically chosen for this ship This is the story of their first mission **The**

Pandoran Age Chronicles Dante D'Anthony, 2014-05-20 A young aristocratic psychic begins a journey that takes him across the galaxy over many years chronicling the mysterious legends of space demons Over the series of eight books he encounters a series of rogues pirates and smugglers the military and police and at length the mysterious aliens thought to be long extinct who may have answers to the mystery of the increasing incursions of the trans dimensional demons **Tales from the**

Pandoran Age Dante D'Anthony, 2004-06 Mankind is busy populating the stars raising republics and oligarchies dictatorships and anarchy An unresolved mystery of a war a thousand years gone begins to unravel when a young smuggler crosses what appears to be an artifact from the war Soon a group of wildcat smugglers operating on the fringes of society an underworld syndicate warlord a general and a high government official are thrown together in a series of tales that test their very souls In a ruthless struggle each with their hand on the other s throat they will try to sort out the mystery left behind by the ancient war and its impending threat to humanity Fifteen tales raking across time a pattern interlacing unexpected fate smooth desire churning war as mankind steps into the intergalactic ring Winner take all *Animals in the City* Laura A. Reese, 2021-11-15 This book presents interdisciplinary research to examine the ongoing debates around nonhuman animals in urban spaces It explores how we can better appreciate and accommodate animals in the city while also exploring the ecological health ethical and cultural implications of the same The book addresses seven interrelated themes such as blurred boundaries between the human and the nonhuman the right of nonhuman species to the city interactions between the human and nonhuman animals the fabric of urban space human and nonhuman complex systems and collective welfare that forms

the basis of a transspecies urban theory It explains how a holistic understanding of the city requires that these blurred boundaries are acknowledged and critically examined Chapters analytically consider the need to bring interspecies relationships to the fore to tackle questions of legitimacy and who has the right to the city These also consider important intersections between the economic political social and cultural aspects of the urban experience The research contained in this book focuses on the development of an urban theory that would eradicate the divide between humans and other species in cities and it depicts nonhuman animals as social actors that have voices within urban spaces With global insights on human animal relationships in a contemporary context this book will be useful reading for scholars and students of urban studies animal sciences animal law animals and public policy anthropology and environmental studies who are interested in the study of animals in cities
