The Dunbar Curse:

Dunbar's Curse Faith V. Smith,2010-03-19 Erotic dreams haunt Dr Hope Morgan The man who makes her burn with desire is only a figment of her imagination or so she thinks until she meets him at a party She fears she is losing her mind and flees the handsome stranger but finds she can't seem to get him out of her heart Miles is over four hundred years old and a bit long in the fang department to fall in love But when the child he rescues grows up into a beautiful and sensual woman he can't keep his heart or desire under control When Hope's life is in danger once again he moves Heaven and Earth to protect her but wonders who will protect her from him

The Curse of Dunbar's Gold Johnny D. Boggs,1999 A fortune in stolen gold has been lost in the mountains of the Wyoming Territory for four years Now Wes Anderson an escaped convict wrongfully accused of having taken part in the robbery and Cora Breckenridge whose father was murdered because he may have found the gold have been captured by Vaughn MacDermott and forced to lead the killer and his gang of cutthroats to the treasure Surviving MacDermott won't be easy But there is also a terrifying legend A spirit guards the stolen gold and will kill those who seek it High in the mountains Wes Cora and MacDermott and his men will find more than a fortune They'll discover love redemption revenge and to their horror the truth of the curse of Dunbar's gold

[The Armstrongs](#) Derek James Stewart,2017-07-11 The Armstrongs were the number one Riding family on the Anglo Scots Border during the 16th century They were the most destructive of the Border reivers and can arguably be called Britain's worst ever family The book follows two narratives The first delves into the history of the Armstrongs origins where they lived their society and how they survived across a violent frontier The second narrative is a gazetteer of family biographies A who's who of raiders and marauders based on court cases and criminal trials Tales of ransom murder arson blackmail and theft are explored drawing out the family's story during this unique period

The Interesting Bits Justin Pollard,2009-08-20 Did you give school history lessons your undivided attention Even if you did you're probably none the wiser as to how exactly Henry II of France came to have a two foot splinter in his head or why Alexandra of Bavaria believed she had swallowed a piano Or where terms like bunkum maverick John Bull and taking the mickey come from or how the Tsarina of Russia once saved a life with a comma or why Robert Pate hit Queen Victoria on the head with a walking stick For some unknown reason the most interesting bits of history are kept out of lessons and away from syllabuses Relegated to history's footnotes they lie buried beneath the dense text like a few golden nuggets in a mountain of granite Now The Interesting Bits rights this wrong it is a veritable treasure trove of those surprising eccentric chaotic baffling asides that don't fit neatly into history's official narrative They are history's little known treasures the gems that generations of teachers have excised from lessons on the grounds that they might make history too much like well fun
