## **The Death Dodger:**

The Death of Dodge Ball Bobby Herodes,2019-03-29 The Death of Dodge Ball is an in depth look at how my generation of parents have forced their views on our public education system These extreme views are single handedly destroying the most popular game ever created dodgeball Over the past thirty years of being a gym teacher in New York state I have watched and fought against this assault on our children s journey through their wonder years Come take a look at our current education system as well as a good look back at your childhood You may be surprised at what you find I wrote this book over ten years ago With the thought that if I keep fighting I might create a teaching environment that parents and administrators would come to see as essential for our kids But as my thirty year teaching and coaching career comes to an end I realize that I need help from my fellow Americans Here is my story

*The Death Dodger* John Vaux,2003-12 Are you up to the challenge of

putting a name to the hero of this controversial book before reaching its surprise end Are you clever enough to put a time and place to its setting Are you prepared to face the truth about this man of mystery who changed the history of the world by making a mistake Backed by fact The Death Dodger dares to put an entirely new spin on one of the most famous and complex men in history Arguably the greatest soldier and sinner of all time it analyses him and his brutal war ravaged times and asks you to change your mind about him
