awaiting rebirth into another horrid life among the living feeds our fears with stories of her lives as well as those she s heard during her visits to the underworld Her previous owners have either been evil or have met with dire fates at the hands of those that are Darker yet are the stories she s heard while awaiting her many reincarnations The thirteen events she relates are not for the timid unless your forte is being eaten alive or having your head ripped off No this isn t a zombie book so forget that It s the day animals attack vs the fortitude of black magic and telekinetic power vs creatures of the darkness From monsters of legend to demented human killers her stories are those to tell prior to retiring for the evening if sadistic revenge is your goal
