The Devil Angel In the beginning of time when the Earth was created by God His loyal and most highly ranked Archangel Damian disobeyed His orders and flawed God s project on Earth by bringing evil to mankind In the early first centuries in Greece and Rome Damian disobeyed God by trespassing on Earth and having a romantic relationship with a female human Though Damian did not intend for this to happen she conceives his child Damian is then apprehended and brought back to Heaven to be executed for disobeying God s orders There in Heaven while awaiting execution Damian musters the Archangels and many other Angels that are loyal to him to rebel against God s loyal legions and fight a battle for control of the Heavens and Earth They lose the battle and are banished for eternity from the Kingdom of Heaven Many are killed They are thrown out of Heaven and fall to Earth The Devil Angel the child of Damian is born on Earth and is given a life purpose here on Earth to destroy all evil kind The Devil Angel sleeps for centuries Then he is awakened to a journey here on Earth He goes through battles with mankind and demons through which he realizes he s a coldhearted killer when battling evil kind The Devil Angel is half Archangel and half human has unbelievable strength powerful weapons and heals quickly sustaining no scars or bruises He has big wings that he can disguise as clothing a ten foot tail that disappears into his spinal cord and Mia his second pair of eyes that follows him everywhere Mia is full of knowledge is very intuitive and has the ability to hack any computer system anywhere The Devil Angel starts to change from good to evil as he battles crime daily but at some point he feels sorry for mankind and wants to understand why people are the way they are and seeks to find out more about them His heart yearns more and more not just to fight crime but to help the humans who need help He develops love for mankind and sometimes forgives them for their sins He also searches for his father Damian by gathering information from crime scenes of demons The Devil Angel puts together his own team to assist him in his search for his father and his follower demons while the churches corporate businesses and governments around the world seek his help in getting rid of the bad people here on Earth He is basically a hit man for these organizations They offer him donations in return for his delivering death certificates to these individuals These donations go to the starving children of God s people and helping other people in need The Devil Angel gives all of his earnings back to God s people For a while he cleans up the world by fighting against evil While he is fighting against evil kind he sees that not only bad people on Earth but good people as well become sinners by falling prey to greed lust egotism competition and corruption He discovers that he has been contracting to kill people who are partly good as well as those who are pure evil At the same time he has been contracting to kill bad people he is becoming the Devil himself by killing good people too So he gets angry and starts to go insane because of his guilt and confusion and because he realizes he cannot trust anyone but himself Meanwhile Damian and his followers living on Earth are busy bringing ruin on

mankind by turning people into rebels against one another and God himself Damian lies back and watches this world destroying itself man against man because of power struggles Damian s demons join the evil crime organizations become corrupt government officials and influence politics Evil crime organizations corrupt governments drug lords and law enforcement are all increasingly taking orders here on Earth along with mankind to sin against God and one another The Devil Angel fights these organizations and destroys them He s good at taking these evil people and demons down

Arenson,2010-08-21 Outcast from Hell Banished from Heaven Lost on Earth The battle of Armageddon was finally fought and ended with no clear victor Upon the mountain the armies of Hell and Heaven beat each other into a bloody uneasy standstill leaving the Earth in ruins Armageddon should have ended with Heaven winning ushering in an era of peace That s what the prophecies said Instead the two armies one of angels one of demons hunker down in the scorched planet lick their wounds and gear up for a prolonged war with no end in sight In this chaos of warring armies and ruined landscapes Laila doesn t want to take sides Her mother was an angel her father a demon she is outcast from both camps And yet both armies need her for with her mixed blood Laila can become the ultimate spy or ultimate soldier As the armies of Heaven and Hell pursue her Laila s only war is within her heart a struggle between her demonic and heavenly blood     *Christian Iconography: The Trinity.
