The Divine Inheritance:

The Divine Inheritance Pir Vilayat Inayat Khan, 1980-01-01 *The Divine Inheritance* John Coutts, 2015-07-12 Excerpt from *The Divine Inheritance As Revealed in the Bible Man Nature And Discerned by the Methods of Christ and of the Spirit* This book may be conceived as a further utterance bearing upon the study of the conflict betwixt Agnosticism and the Bible as representing Religion The results of the study would tend to prove that the conflict ought to cease for the simple reason that there is no cause for strife because Nature Man and the Bible are in agreement united and harmonious They are as three independent witnesses and their testimony to Divine Truth is sufficient to restore to men a perfect and unique form of Faith in God as the Revealer of all Truth and Grace Arising out of these studies what is termed the Method of Christ has taken a prominent place The name is adapted from the Blessings uttered by Christ at the beginning of His ministry they are the eightfold diverse forms of the spiritual life in its order of development It is this particular harmonious unity in Divine gracious truth that awakens special interest and the use of this Method becomes the Key to the study of the Bible as a science the science of the life of Grace in Christ The Method of Christ has been applied to the Bible as a whole and to its varied parts and the same system of development can be traced in all divisions of the Bible as a Revelation of Divine Truth This Method has been in a limited sense applied to the natural sciences also to Man in his complex being and the results are the same it is the Method of Christ that interprets the harmony that is in the universe of order and law and the unity is found in Christ When the discernment of Divine Truth by science leads direct to Faith in God then it can easily be seen that such a Revelation as here indicated must mean Hope in Christ the Son of God the Saviour of the world It is Christ that reveals the way of salvation from sin He is the Way the Truth and the Life and by Him men return to God and good As Revealed in the Bible Man and Nature and Discerned By the Methods of Christ He is the Teacher revealing Divine Truth in Grace the way of spiritual life for mankind It is the Spirit of Truth that takes all objective forms of truth in Nature Man and the Bible and inworks them into the souls of men There is also a Divine Method of the Spirit's operations that may be conceived as distinct in order from the Method of Christ and the order of this development is inward and spiritual as expressed in Faith Hope Patience and Gracious Love God is Truth Christ is the Ideal the embodiment of Divine Truth and Grace The Spirit of Christ takes the Truth as it is in Him and there is Revelation to mankind This Revelation to men of Grace and Truth is by the Word and the Word is the Work of the Spirit The reign of Christ is that of Divine Truth of spiritual order and law the Work of the Spirit is the regenerated life in Christ and the issue must be Divine union in gracious Love About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any

The Divine Dispensing of the Divine Trinity Witness Lee,1990-06-01 Dispensing means to distribute God dispenses Himself to you just as you may dispense food to your guests Many readers of the Bible have realized that in the Gospel of John the Father is revealed the Son is revealed and the Spirit is revealed But not many have realized that in the Gospel of John the Triune God the Father the Son and the Spirit is revealed for the dispensing of

Himself into us first as life then as life supply and then as everything **Theological Dictionary of the New Testament** Gerhard Kittel, Gerhard Friedrich, Geoffrey W. Bromiley,1985-07-10 Geoffrey W Bromiley has abridged this monumental theological dictionary into a convenient one volume edition that is accessible to all readers

The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1899 **Life-study of Ephesians** Witness Lee,2023-09-27

The subject of the book of Ephesians is the church There are seven aspects of the church revealed in Ephesians The church is the Body the new man the kingdom the family the dwelling place the bride and the warrior If we put together all these seven aspects of the church we see a wonderful picture of the church as the Body to express Christ as the new man taking Christ as the person as the kingdom with rights and responsibilities as the family with life and enjoyment as God s dwelling place for God to live in as the bride for Christ s satisfaction and as the warrior for fighting the battle and defeating the enemy so that God can accomplish his eternal purpose This is the church The Life study of Ephesians also gives a clear view of the contents of the book of Ephesians In chapter one of Ephesians we have the blessings God s selection predestination sonship holiness redemption sealing pledging and much more Then we shall see the prayer of the Apostle for a spirit of wisdom and revelation to know the hope of God s calling to see the glory of God s inheritance among His saints and to realize the greatness of the power that has been wrought in Christ to produce the Body Then in chapter two we see the production of the church the nature of the church the vision of the church the building of the church and the function of the church In chapter three we see the revelation of the mystery and the ministry of the stewardship concerning the church Following this we see Paul s prayer for the strengthening of our inner man so that Christ may make His home in our heart that we might be filled with all

the fullness of God This causes us to have the practical experience of Christ Then as revealed in the last three chapters we shall know how to walk on earth to bear responsibility and to fight the battle for God s purpose This is the content of the book of Ephesians **The Conclusion of the New Testament (3)** Witness Lee, In the Lord s recovery during the past five hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does

Life-study of Acts Witness Lee,2023-09-26 Luke s Gospel ends with the Lord s ascending into heaven and his Acts begins with it His Gospel is a narrative of the ministry of the incarnated Jesus on earth his Acts is a record of the continuing ministry of the resurrected and ascended Christ in heaven carried out through His believers on earth In the Life study of Acts Witness Lee shows that in the Gospels the Lord s ministry on earth carried out by Himself only sowed Himself as the seed of the kingdom of God into His believers with no church being built up yet He then presents how in the Acts the Lord Jesus ministry in heaven carried out through His believers in His resurrection and ascension spread Him as the development of the kingdom of God for the building up of the church throughout the entire world to constitute His Body which is His fullness for His expression and which is even the fullness of God for God s expression

Thomson Jay Hudson,1904 In attempting to fulfil a task so important and from a layman's point of view so difficult as that of outlining a scientific basis of Christian theism I feel it to be due to my readers that I should state the causes which led me to undertake it and the principles by which I have been guided in carrying it to a conclusion It is scarcely necessary to remark that this book was not written for the benefit of those who have already found in Holy Writ sufficient evidence to convince them of the existence of an intelligent Great First Cause Nor was it written to convince anybody of the soundness of the theory of organic evolution Preface PsycINFO Database Record c 2010 APA all rights reserved
