The Dong People Of China A Hidden Civilization:

The Dong People of China Gail Rossi,1991 A photographic introduction to one of China's least known ethnic groups

The Kam People of China D. Norman Geary,2003 The Kam are still essentially a hidden people very little has been published in English about them This book aims to fill a gap in the English literature by providing a comprehensive introduction to Kam culture The conclusion looks to the future for the Kam people and their culture **Life in a Kam Village in Southwest China, 1930-1949** Chaoquan Ou,2007-10-31 Although this unique insider's account of minority life in China is clearly a book in itself it is also the sequel to the much acclaimed *The Kam People of China* Geary Ou and others 2003 It describes the hitherto scarcely researched culture of people from Xiangye village in an untravelled corner of Guizhou province Southwest China in the 20 years leading up to Liberation in 1949 Xiangye is a Kam Dong nationality village so the book highlights Kam culture of the 1930s and 1940s It is a fascinating and unparalleled study also offering exceptionally clear details of many aspects of material culture and social customs for example the work of rice farming cotton production and cooking beautifully illustrated with line drawings and photographs that should appeal to anyone interested in the Kam people China or in ethnology generally The author grew up in Xiangye and later became Professor of Anthropology at a university in Qinghai province The manuscript was first written in Chinese with the intention of having it translated into English for an outside readership *Ethnic Groups of North, East, and Central Asia* James B. Minahan,2014-02-10 Covering countries ranging from Afghanistan and China to Kazakhstan and Russia this encyclopedia supplies detailed information and informed perspectives enabling readers to comprehend Asian ethnic groups as well as Asian politics and history Asia is quickly becoming one of the most important regions of the world culturally economically and politically This work provides encyclopedic coverage of a wide array of Central North and East Asian ethnic groups including those in eastern Russia Kazakhstan Uzbekistan Kyrgyzstan Turkmenistan Tajikistan Afghanistan China Taiwan Japan and the Koreas Arranged alphabetically by ethnic group each entry provides an overview of the group that identifies its major population centers and population primary languages and religions parallels with other groups origins and early development major historic events and cultural belief systems Information on each group's typical ways of life relations with neighboring groups politics and recent history notable challenges demographic trends and key figures is also included Special attention is focused on the numerous ethnic groups that make up China one of the world's most populated countries Sidebars throughout the text provide fascinating facts and information about specific groups to make the encyclopedia more accessible and appealing while Further Reading sections at the end of each entry and the bibliography will provide ample additional resources for students performing in depth research Architecture, Ritual and Cosmology in China Xuemei Li,2023-05-31 Drawing on the author's extensive fieldwork in the Dong areas in southwest China this book presents a detailed picture of the Dong's buildings and techniques with new insights into the Dong's cosmology and rituals of everyday life meshed with the

architecture and the symbolic meanings It examines how the buildings and techniques of the Dong are ordered and influenced by the local culture and context The timber bridges and drum towers are the Dong s most prominent architectural monuments Usually built elaborately with multiple roofs these bridges and drum towers were designed and maintained by the local carpenters who also built the village suspended houses in an oral tradition carried down from father to son or to apprentice They were funded entirely by the local people and the bridges tend to be built in places without great pressure of traffic or another bridge already existing close by Why does such great expense go into the Dong s buildings with elaboration How were they built And what do they mean to their users and builders This book is an anthropological study on the Dong s architecture and technique and it aims to contribute a discourse on the interdisciplinary research area It is suitable for graduate and postgraduate readers

Encyclopedia of Stateless Nations James B. Minahan, 2016-08-01 This book addresses the numerous national movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the 21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood s *Encyclopedia of the Stateless Nations Ethnic and National Groups around the World* that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons

The Dong People Of China A Hidden Civilization Introduction

In today's digital age, the availability of The Dong People Of China A Hidden Civilization books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Dong People Of China A Hidden Civilization books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Dong People Of China A Hidden Civilization books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Dong People Of China A Hidden Civilization versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Dong People Of China A Hidden Civilization books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Dong People Of China A Hidden Civilization books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Dong People Of China A Hidden Civilization books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Dong People Of China A Hidden Civilization books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Dong People Of China A Hidden Civilization books and manuals for download and embark on your journey of knowledge?
