The Drunks:

The Omicron Legion Jon Land, 2011-03-01 DIVA mysterious league of elite assassins targets ninety six of the most powerful people in America and Blaine McCracken must stop them before the murderers bring the country to its knees
divDIV divDIV There are ninety six names on the list They are those of businessmen judges and senators the nation s wealthiest and most powerful And they are all going to die A man named Takahashi has hired the world s finest assassins to eliminate these men in secrecy and style crossing names off the list without raising any suspicion And they are killing ahead of schedule
divDIV divDIV But someone has noticed the pattern of these seemingly unrelated deaths and she knows enough to call Blaine McCracken Takahashi didn t consider the rogue American agent and that is a grave mistake His carefully orchestrated vendetta is just the sort of thing that McCracken lives to upset He has made a career teaching lessons to those who underestimate him and Takahashi s league of assassins is next
divDIV divDIV This ebook features an illustrated biography of Jon Land including rare photos from the author s personal collection
div *Pentonville* Terence Morris, Pauline Morris, 2013-08-21 This is Volume XIII of fifteen in a series on the Sociology of Law and Criminology Originally published in 1963 this is a sociological Study of an English Prison
Drunk Driving Prevention Act of 1988 United States. Congress. Senate. Committee on Environment and Public Works, 1988
You Owe Yourself a Drunk James P. Spradley, 1999-11-06 While You Owe Yourself a Drunk was far from the first anthropological study of a non native population in North America its appearance marked an early stage in an increasingly evident shift toward bringing anthropology home Now available from Waveland Press Spradley s carefully researched portrayal of skid row men in Seattle in the late sixties documents their treatment by jails and the legal system in a time before homelessness became a recognized problem As a result of Spradley s elegant and impassioned writing the book became a sharp challenge to politicians policymakers judges police and others inclined to punish people for the crime of poverty The insights he gained from studying the tramp culture of Seattle ultimately were seen as highly significant in the treatment of recidivist alcoholics as well as in creating a more appropriate and human response to public drunkenness This now classic landmark study in urban ethnography stands as a shining example of the direct application of distinctly anthropological concepts and methods to address real world problems But more important it represents a poignant challenge to society about our capacity to endure and accept nonconformity and social diversity The Waveland reissue includes a valuable retrospective introduction by Merrill Singer
The Blind Vampire Hunter Tim Forder, 2014-01-10 Jack Poisner is legally blind growing up in a world not yet familiar with the concept of legal blindness he learns how to fight to survive his peers the education system and more Eventually happily married with a family of his own and living well with his visual disadvantages life throws him an overripe pumpkin when he wakes up one morning and discovers he is suddenly totally blind Although adjusting to his new life of visual darkness a new and much greater darkness enters his life a boarder A vampire that only he can see has come to live within the safety of his home in

easy reach of his family and himself A vampire hunter is born The Blind Vampire Hunter *Essen Defiant Kim*

Mackey,David Carrico,2025-06-03 Whether it was a blessed miracle or a disastrous catastrophe the arrival of Grantville in Europe in the year 1631 created changes that are long lasting and spreading wider and wider as time passes In 1634 Louis DeGeer statesman merchant and player of the game of princes having extracted as much information and technology as he could out of Grantville makes his move to establish a new state in the Rhineland a republic that would draw on much of the political philosophy brought back through the Ring of Fire by Grantville There are those in the westlands of Germany and the Rhine Valley who aren t happy about that Louis enemies draw on all the forces of the status quo to oppose his efforts Louis discovers that it will take strength and determination coupled with careful preparation and planning to face them And the ultimate confrontations will leave things up for grabs until the final moments At the publisher s request this title is sold without DRM Digital Rights Management
