this book considers theatrical aesthetics dramatic criticism and performance theory to help students teachers and practitioners to think critically about the nature of theatre     **Against Theatre** A. Ackerman,M. Puchner,2016-01-18  
Against Theatre shows that the most prominent writers of modern drama shared a radical rejection of the theatre as they knew it Together with designers composers and film makers they plotted to destroy all existing theatres But from their destruction emerged the most astonishing innovations of modernist theatre     **New Performance/New Writing** John Freeman,2016-05-16 Contemporary theatre is going through a period of unparalleled excitement and challenge Terms like postmodern and postdramatic have their own contested and defended histories while notions of truth in verbatim theatre are open to serious critical challenge Theatre writing can result in no words being spoken and nothing appearing on the page and productions are stretching the boundaries of space place and context like never before This revised and significantly expanded edition of New Performance New Writing explores immersive and solo theatre autoethnography applied drama performance writing plot story narrative and devising It presents an invaluable response to questions that arise from new theatre prompting active reading that enhances classroom and workshop learning and improves productivity in rehearsal Each chapter explores a key aspect of theatre study while an extensive timeline of theatre events gives a broad overview of its evolution Case studies on practitioners as diverse as Kneehigh Punchdrunk Mark Ravenhill and Forced Entertainment are scattered throughout the book along with detailed suggestions for workshops which encourage readers to test some of the book s ideas in practice     **Theatre History Studies** ,2002     *Critical Theory and Performance* Janelle G. E. Wilmer,2009 Renowned international scholars offer perspectives on one of the world s most challenging playwrights     *History of the Theatre* Oscar Gross Brockett,Franklin Joseph Hildy,2003 Chronicles the evolution of the theater from its beginnings to the early twenty first century covering styles creative and technical elements and the theater s impact on society and culture Focuses largely on Europe and the U S but also discusses Africa Asia Latin America Canada Australia and New Zealand     **Korea Journal** ,2009     **Contemporary Drama in English** ,2003     *The Returns of Alwin Nikolais* Claudia Gitelman,Randy
