The Duke Of Windsor:

The Secret File of the Duke of Windsor Michael Bloch,2012-05-28 In this brilliant and authoritative work based on their private correspondence and papers Michael Bloch describes the feud which developed between the Duke of Windsor and the British royal establishment after the Abdication the humiliations which were suffered by the ex King and his wife and the plots to ensure that they remained in exile *The Duke of Windsor* Ursula Bloom,1972 **The Windsor Years** Patrick

Balfour Baron Kinross,1967 **The Duchess Of Windsor** Greg King,2011-05-01 A sympathetic and believable portrait of the

American woman for whom King Edward VIII gave up the throne with photos included Christian Science Monitor A woman s life can really be a succession of lives each revolving around some emotionally compelling situation or challenge and each marked off by some intense experience It was the love story of the century the king and the commoner In December 1936 King Edward VIII abdicated the throne to marry the woman I love Wallis Warfield Simpson a twice divorced American who quickly became one of the twentieth century s most famous personalities a figure of intrigue and mystery both admired and reviled Wrongly blamed for the abdication crisis Wallis suffered hostility from the Royal Family and much of the world Yet interest in her story has remained constant resulting in a small library of biographies that convey a thinly veiled animosity toward their subject The truth however is infinitely more fascinating than the shallow pathetic portrait that has often been painted Using previously untapped sources acclaimed biographer Greg King presents a complete and for the first time sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986 King takes the reader through a world of privilege palaces high society and love with the accompaniment of hatreds feuds conspiracies and lies The cast of characters is vast politicians and presidents dictators and socialites Twenty four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance A wide absurd cast of characters led by the British royal family Wallis lavish decorati **Wallis and Edward - Letters, 1931-1937** Michael Bloch,1988 A collection of love letters written by Edward VIII and Wallis Simpson to each other between 1931 and 1937 **The Duchess of Windsor** Diana Mosley,1980

A King's Story Edward Duke of Windsor,1998 Written in 1951 in his own hand A King s Story is the tale of a man raised to be King who abandoned the throne for love He recalls his strict upbringing his education and training for public duty his love for Wallis Simpson and the appalling dilemma that confronted him in the months leading up to his abdication **King Edward**

VIII Philip Ziegler,1992-01-13 He was the twentieth century s Prince Charming Handsome elegant quick witted charismatic and an intimate friend of the most powerful and brilliant people of his day he had everything youth and beauty could hope for including fabulous wealth and claim to the English throne Then a mere eleven months after becoming King Edward VIII threw everything away to marry the woman he loved Wallis Simpson an American divorcee In this superbly written biography Philip Ziegler author of the highly praised biographies Diana Cooper and Mountbatten paints a graceful balanced and utterly

mesmerizing portrait of the life and times of Edward VIII Drawing on Edward's extremely frank and explicit diaries and his two thousand love letters long assumed to have been destroyed Ziegler shows us the man he truly was It is a story as compelling as the greatest English novels Praise for King Edward VIII A book of such compelling interest and frankness that it is difficult to put down The New York Times Almost breathtaking in its candor a shrewdly judged highly polished and totally riveting book The New Yorker A masterpiece The Times Literary Supplement London Compulsively readable Ziegler has told Edward's story with consummate skill tact and judgment The Sunday Times London *The Duke of Windsor's War* Michael Bloch, 2012-05-28 Drawing on unique sources Michael Bloch describes the career of the Duke of Windsor during the Second World War As a military liaison officer in France during 1939-40 he issued warnings which had they been heeded might have avoided the defeat of France as Governor of the Bahamas 1940-45 he succeeded in what was regarded as one of the most difficult posts in the British Empire But at the same time he and his wife to marry whom he had given up a throne had a second war to contend with against King George VI and Queen Elizabeth who were determined to treat them as outcasts This book caused a furore on publication being the first work to give a detailed account of the bitter relations between the ex King and his family

Hidden Agenda Martin Allen, 2002-10-21 How did the Duke of Windsor betray the allies and did his war time activity amount to treason This book the result of the author's research will seek to answer these questions

Traitor King Andrew Lownie, 2022 Here Andrea Lownie looks at the years following the abdication of Edward VIII when the former king was kept in exile feuding with his family over status for his wife Wallis Simpson and denied any real job Drawing on extensive research into hitherto unused archives and Freedom of Information requests it makes the case that the Duke and Duchess of Windsor were not the naive dupes of the Germans but actively intrigued against Britain in both war and peace *Wallis and Edward, Letters: 1931-37* Michael Bloch, 2012-05-28 When *Wallis and Edward* was first published in 1986 weeks after the death of the Duchess of Windsor it caused a sensation this was the story the world had been waiting for For the first time the story of Wallis Simpson and King Edward VIII was revealed in their own words Michael Bloch's edition of their intimate correspondence takes us from the moment they met in 1931 up to their marriage in 1937 and includes Wallis Simpson's diary of their affair in form of her weekly letters to her aunt in Washington It sheds a wealth of fascinating new light on the greatest love story of the century and the mysteries of King Edward's abdication *A KING'S STORY*.
