Songs For Lovers:

Love Songs Ted Gioia, 2015-01-14 The love song is timeless From its beginnings it has been shaped by bohemians and renegades slaves and oppressed minorities prostitutes immigrants and other excluded groups But what do we really know about the origins of these intimate expressions of the heart And how have our changing perceptions about topics such as sexuality and gender roles changed our attitudes towards these songs In *Love Songs The Hidden History* Ted Gioia uncovers the unexplored story of the love song for the first time Drawing on two decades of research Gioia presents the full range of love songs from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day The book traces the battles over each new insurgency in the music of love whether spurred by wandering scholars of medieval days or by four lads from Liverpool in more recent times In these pages Gioia reveals that the tenderest music has in different eras driven many of the most heated cultural conflicts and how the humble love song has played a key role in expanding the sphere of individualism and personal autonomy in societies around the world Gioia forefronts the conflicts controversies and the battles over censorship and suppression spurred by such music revealing the outsiders and marginalized groups that have played a decisive role in shaping our songs of romance and courtship and the ways their innovations have led to reprisals and strife And he describes the surprising paths by which the love song has triumphed over these obstacles and emerged as the dominant form of musical expression in modern society

Love Songs in Motion Christina J. Woolner, 2023-11-24 An intimate account of everyday life in Somaliland explored through an ever evolving musical genre of love songs At first listen both music and talk about love are conspicuously absent from Somaliland's public soundscapes The lingering effects of war the contested place of music in Islam and gendered norms of emotional expression limit opportunities for making music and sharing personal feelings But while Christina J Woolner was researching peacebuilding in Somaliland's capital Hargeysa she kept hearing snippets of songs Almost all of these she learned were about love In these songs poets musicians and singers collaborate to give voice to personal love aspirations and often painful experiences of love suffering Once in circulation the intimate and heartfelt voices of love songs provide rare and deeply therapeutic opportunities for dareen wadaag feeling sharing In a region of political instability these songs also work to powerfully unite listeners on the basis of shared vulnerability transcending social and political divisions and opening space for a different kind of politics Taking us from 1950s recordings preserved on dusty cassettes to new releases on YouTube and live performances at Somaliland's first postwar music venue where the author herself eventually takes the stage Woolner offers an account of love songs in motion that reveals the capacity of music to connect people and feelings across time and space creating new possibilities for relating to oneself and others

The Song of Songs and Its Tradition in Renaissance Love Lyric Camilla Caporicci, 2025-01-29 Traditionally attributed to King Solomon and called by Rabbi Akiva the Holy of Holies among sacred Scriptures Mishnah Yadayim 3 5 the Song of Songs is one of the most fascinating and controversial biblical books and played an essential role in

the shaping of European spirituality and culture Combining in a unique way a sensual and deeply lyrical celebration of love with a well established tradition of Christian allegorical interpretation this text crucial to both the Middle Ages and the early modern period held a particular appeal for poets devoted not only to religious verse but also to love poetry The Song of Songs and Its Tradition in Renaissance Love Lyric is the first systematic and wide ranging investigation of the multifaceted use of the Song of Songs in Renaissance love lyric poetry with specific attention to Italian French and especially English poetic production At the same time this investigation is embedded into a narrative that comprising two initial chapters devoted to medieval poetry and to Francesco Petrarca represents an unprecedented attempt to trace the role of the Song of Songs in the rise and development of the European love lyric following its path or rather one of its paths from the medieval origins of this tradition to the end of the sixteenth century The picture of the general impact of the Song of Songs in the development of the European love lyric is combined with in depth analysis of key works by specific authors including Dante Alighieri Francesco Petrarca Torquato Tasso Marguerite de Navarre Anne de Marquets Cl ment Marot Richard Barnfield Edmund Spenser William Shakespeare John Donne Elizabeth Melville and Aemilia Lanyer promoting a contextualization of their significance within a new interpretative framework While the comparative standpoint characterizing this study fosters a deeper comprehension of the evolution of the European love lyric its multidisciplinary approach which considers the Song of Songs as the centre of a web of dynamics pertaining to the fields of literature philosophy theology and religious and cultural history contributes to the understanding of the thought and spirit of ages crucial to the shaping of European culture

Catalogue of (printed) music. Music. Accessions, pt.[1]-94 British museum dept. of pr. books,1884 *Heidegger on Truth and Myth* Hayim Gordon,Rivca Gordon,2006 Truth and myth are predominant themes in Martin Heidegger s thinking Heidegger showed that ancient Greek understanding of truth as aletheia unconcealment can teach us about learning from the wisdom that is found in myths and can also enhance human existence This book describes some of Heidegger s major insights concerning truth as aletheia and their implications It also shows how Heidegger s thinking on truth discloses the shallowness and the disrespect for truth in the writings of four well known postmodernist writers Lyotard MacIntyre Rorty and Derrida **Careers for Music Lovers & Other Tuneful Types** Jeff Johnson,1997 Overviews of each career are accompanied by interviews with an individual successful in that area **The World's Best Music** ,1899 **Catalog of Copyright Entries** Library of Congress.
