McKeown,Claire Hélie,2020-12-10 Bob Dylan has constantly reinvented the persona known as Bob Dylan renewing the  
performance possibilities inherent in his songs from acoustic folk to electric rock and a late hybrid style which even hints at  
so called world music and Latin American tones Then in 2016 his achievements outside of performance as a songwriter were  
acknowledged when he was awarded the Nobel Literature Prize Dylan has never ceased to broaden the range of his creative  
identity taking in painting film acting and prose writing as well as advertising and even own brand commercial production  
The book highlights how Dylan has brought his persona e to different art forms and cultural arenas and how they in turn  
have also created these personae This volume consists of multidisciplinary essays written by cultural historians musicologists  
literary academics and film experts including contributions by critics Christopher Ricks and Nina Goss Together the essays  
reveal Dylan s continuing artistic development and self fashioning as well as the making of a certain legitimized Dylan

George Henry Davidson,1870      **Bob Dylan and Leonard Cohen** David Boucher,Lucy Boucher,2021-04-08 Both Dylan and  
Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of  
their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The  
authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation They sought to achieve  
the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional  
social irresponsibility While Dylan s and Cohen s fame fluctuated over the decades it was sustained by self consciously  
adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the  
artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is  
explored in the context of Federico Garc a Lorca s concept of the poetry of inspiration and the emotional depths of duende  
Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they  
first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral  
and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat
