Santa

Fe Heat Gloria H. Giroux,2021-05-17 The 1980s were a miasma of new thoughts fashions music and ideas and for many people a respite from the turbulent 70s The city of Santa Fe is bursting with the new veneer Even so there are dark clouds roiling over the city and its inhabitants stoking fires that will consume the innocent as well as the guilty The next generation of the Grayhawk clan and their close relatives and friends has begun to make its mark many choosing the professions of their parents or friends Although their development is generally positive the plague of the decade has infiltrated their lives and changed the course of many Besides the personal impacts of life the clan finds themselves battling evil on two fronts One antagonist is executing vengeance on people who have wrought inhuman savagery on the world seeking true eye for an eye justice The other seeks a much more personal vengeance directed at Memphis Grayhawk and his family and lurks in the background until the time is ready to strike The passion and determination of all factions heats up until it bursts into a roaring conflagration Will it consume only the unremorseful perpetrators or will the flames of hatred burn everything in sight leaving only ash and destruction
