Soon To Be A Major Motion Picture:

Soon to be a Major Motion Picture Donna Partow, 2005 An adroit first novel of exceptional grace and emotional power by a legendary British ad executive David Abbott's *The Upright Piano Player* is a wise and moving debut an accomplished novel of quiet depths and resonant shadows John Burnham Schwartz author of *The Commoner* and *Reservation Road* Henry Cage seems to have it all a successful career money a beautiful home and a reputation for being a just and principled man But public virtues can conceal private failings and as Henry faces retirement his well ordered life begins to unravel His ex wife is ill his relationship with his son is strained to the point of estrangement and on the eve of the new millennium he is the victim of a random violent act which soon escalates into a prolonged harassment As his ex wife's illness becomes grave it is apparent that there is little time to redress the mistakes of the past But the man stalking Henry remains at large Who is doing this And why David Abbott brilliantly pulls this thread of tension ever tighter until the surprising and emotionally impactful conclusion *The Upright Piano Player* is a wise and acutely observed novel about the myriad ways in which life tests us no matter how carefully we have constructed our own little fortresses From the Hardcover edition **Soon to be a Major Motion Picture** Theodore Gershuny, 1980 **In Search of Justice**, 2024-12-09 *Run Run Run* Jack Hoffman, Dan Simon, 2020-01-14 Intertwining the details of Abbie Hoffman's intense personal life with the movement politics of the sixties seventies and eighties Dan Simon writes Abbie's story from the point of view of his younger brother Jack creating a full and poignant portrait of one of the geniuses of the 1960s counterculture From the creation of the Yippies in 1967 and the tumult of the 1968 Democratic National Convention protests to the humor and agony of the Chicago conspiracy trial the scandal of Abbie's 1973 cocaine bust and his six and a half years as a fugitive to his reemergence as environmentalist Barrie Freed and his final struggle with manic depressive illness this biography offers a compelling examination of the contradictions that make Abbie Hoffman such a compelling figure With the information and affection only a brother could bring to the complexities of Abbie's life Hoffman and Simon portray Abbie's public persona alongside his private aspirations and fears romances and enduring family relationships **Chicago '68** David Farber, 1994-08-17 Entertaining and scrupulously researched *Chicago 68* reconstructs the 1968 Democratic Convention in Chicago an epochal moment in American cultural and political history By drawing on a wide range of sources Farber tells and retells the story of the protests in three different voices from the perspectives of the major protagonists the Yippies the National Mobilization to End the War and Mayor Richard J Daley and his police He brilliantly recreates all the excitement and drama the violently charged action and language of this period of crisis giving life to the whole set of cultural experiences we call the sixties *Chicago 68* was a watershed summer *Chicago 68* is a watershed book Farber succeeds in presenting a sensitive fairminded composite portrait that is at once a model of fine narrative history and an example of how one can walk the intellectual tightrope between reporting one's findings and offering judgements about them Peter I Rose *Contemporary Sociology* **Pizza and Taco:**
