Sophias Destiny:

Pure Destiny Aja James,2022-02-06 Destiny is cruel Since the moment they first met in another life time another world Dalair and Sophia could not deny the longings of their heart their souls for each other But the stars aligned against them capriciously pushing them together only to heartlessly tear them apart She was never meant to be his but he gave all of himself to protect her Fate can be rewritten Both reawakened to their long buried memories they fight desperately against the prophesies that shackle them Sophia the first ever Pure Queen the reigning queen and the Destroyer of races must find a way to save Dalair s soul before it s too late Dalair trapped in a body that no longer obeys his will controlled by thoughts that are not his own fights to the death to reclaim his soul And to reclaim in the process the only woman he s ever loved But at what cost The Pure Ones might have triumphed over one adversary but the more devious villain remains continuing to spread chaos and mass destruction Will Sophia and Dalair overcome the odds and carve a new better future or will they succumb to the Darkness Including the enemy within him Double Destiny Janette A. Rucker,2015-05-08 As the crowd gathered together outside the funeral home watching as the long black hearse pulled away with its occupant on this rainy day in this small town in Texas You could still hear the screams and cries of the sad family Thats a shame what happened to that poor family and how their suffering this loss one of the spectators expressed to another who said if you knew this family like I know them you could see something like this was bound to happen sooner or later But lets go back to the beginning
