## Sophie And The Prince Masquerade 7:

**The London Stage 1920-1929** J. P. Wearing, 2014-03-27 Theatre in London has celebrated a rich and influential history and in 1976 the first volume of J P Wearing's reference series provided researchers with an indispensable resource of these productions. In the decades since the original calendars were produced several research aids have become available notably various reference works and the digitization of important newspapers and relevant periodicals. The second edition of *The London Stage 1920-1929 A Calendar of Productions Performers and Personnel* provides a chronological calendar of London shows from January 1920 through December 1929. The volume chronicles more than 4 000 productions at 51 major central London theatres during this period. For each entry the following information is provided: Title, Author, Theatre, Performers, Personnel, Opening and Closing Dates, Number of Performances. Other details include genre of the production, number of acts and a list of reviews. A comment section includes other interesting information such as plot description, first night reception by the audience, noteworthy performances, staging elements and details of performances in New York either prior to or after the London production. Among the plays staged in London during this decade were *Bulldog Drummond*, *The Emperor Jones*, *The Enchanted Cottage*, *Gentlemen Prefer Blondes*, *Hay Fever*, *Saint Joan* and *Six Characters in Search of an Author*, as well as numerous musical comedies, British and American foreign works, operas, ballets and revivals of English classics. A definitive resource, this edition revises, corrects and expands the original calendar. In addition, approximately 20 percent of the material in particular information of adaptations and translations, plot sources and comment information is new. Arranged chronologically, the shows are fully indexed by title, genre and theatre. A general index includes numerous subject entries on such topics as acting, audiences, censorship, costumes, managers, performers, prompters, staging and ticket prices. *The London Stage 1920-1929* will be of value to scholars, theatrical personnel, librarians, writers, journalists and historians.

The rise of the Inns of Court, the English legal societies and their internal organization are described, followed by a study of these societies and their theatrical entertainments. Special attention is paid to the masques and their elaborate productions between 1526 and 1683. The author's evidence indicates that the supposedly humorless profession of lawyers was sufficiently capable of ridiculing itself in dramatic satire and of offering dramatic entertainment of excellent quality.
