## Sorry Chief:

**I Will Go the Distance** Jacob J. Akol, 2005      **The Chief's Choice** J. R. Mathis, Susan Mathis, 2022-10-17 Enjoy this Contemporary Small Town Murder Mystery Featuring A Unique Sleuthing Couple I Father Tom Greer have a confession to make For the last six months or so I ve been hiding something from Helen And from my friend and doctor Martin Maycord And from my parish secretary Anna Luckgold Well if I m honest from my entire parish There s a pain in my stomach that s been getting worse I m to the point now where antacids and over the counter pain meds don t work anymore Driven to desperation I ve done something I never thought I d do I thought I could manage the situation I promised myself I d get through Nate and Gladys s wedding and go see Martin In fact I have an appointment with him on Monday But it s Sunday morning and my time s run out I Helen Greer have a confession to make For the last six months I had no idea how sick Tom was I found out the same way everyone else did when I saw him face down in a pool of his own blood just feet from the altar I m a trained detective I put together clues to solve crimes and put bad guys in jail Somehow I completely missed the signs of his illness It doesn t matter that he didn t tell me I m his wife I should have known something was wrong But I didn t And now he s in the hospital because of me Not only that I just let a suspected abuser go And now a woman is dead and her killer on the run because of me I have to make a choice between the man I love and a job I m not sure I can do or even want to do anymore It s a choice that could change our lives forever The Chief s Choice is the seventh novel in the Mercy and Justice Mystery series a contemporary small town mystery series The series is a sequel to the Father Tom Mysteries that began with The Penitent Priest and includes the same cast of characters It features Father Tom Greer a Catholic Priest who is also an amateur sleuth in the tradition of Father Brown and his wife Helen Greer female Chief of Police and detective in the tradition of Kinsey Millhone If you enjoy the works of Rhys Dylan Andrew Mayne and Mary Stone you will enjoy this novel      [The Epic Adventures of Whiz Grass and Poot Berry](#) Frank, Church, Aloura Barnas, 2011-10-14 As you should have guessed by the title this is not the standard bedtime story with a princess and a prince and an evil stepparent and some sort of magic spell Not one castle nor trolls not even an enchanted forest is tucked with loving care into this bedtime story To be totally honest about the whole shebang its not so much a bedtime story as a bedtime epic event An explanation may be in order right about now There are 30 Adventures in this saga to be read in order as bedtime stories No skipping around mind you because it will make even less sense if you do that so when you get to the Temple of the Belchmonkeys and your mind is not totally prepared for it well thats a whole different bucket of pickles altogether And you could rip through more than one story in a night but that might just make your kids loopy 30 Adventures 30 nights so youre pretty much covered for a month Now somebodys going to screech that some months have 31 days thanks May and October and you other troublemakers for screwing this up and so you have a day left over And theres some real hollering going on about the February problem and how if you read this story during that month even during a leap year you still have extra story left over The thing is the story is 30 nights long

because its a nice round number unlike 31 which is prime for crying out loud and thats how long the story takes to tell So there The important idea is that this is an interactive story Not a passive story where your kid lays there like an unfortunate lump on the mattress and you yammer on until you bore the poor child to sleep This story has a narrator reading the action lines thats you sport There are also 21 different voices in the tale all of which youll have fun doing Even better let your child read along and read a voice or two The full list of voices is on the next few pages plus what we think they sound like although you can change them pretty much any way you want Its not like were keeping score Also you will find action lines sprinkled throughout Youll recognize these because theyre in italics so they look like theyre in motion hence we call them action lines and they instruct you or your offspring to do certain things Be nice and gentle since youll have to start a pillow fight in Adventure 1 Remember youre bigger Play nice

**The Witches of Chiswick** Robert Rankin, 2011-06-16 We have all been lied to A great and sinister conspiracy exists to keep us from uncovering the truth about our past Have you ever wondered how Victorians dreamed up all that fantastic futuristic fiction Did it ever occur to you that it might just have been based upon fact That THE WAR OF THE WORLDS was a true account of real events That Captain Nemo s Nautilus even now lies rusting at the bottom of the North Sea That there really was an invisible man And what about the other stuff Did you know that Queen Victoria had a sexual relationship with Dr Watson Or that the elephant man was a product of an E T human hybridisation programme Or that Jack the Ripper was a terminator robot sent from the future Read on and learn how a cabal of Victorian Witches from the Chiswick Townswomen s Guild working with advanced Babbage super computers rewrote 19th Century history and how a 23rd Century boy called Will Starling uncovered the truth about everything
