Soul Bared:

Soul Bared David L. Oakford,2004 David Oakford s experience on The Other Side of death s curtain is real valid and profound Although drugs were the initial trigger for what he went through and clearly the evidence for drug effects color the first part of his episode and the beginnings of the second part what happened next was a full blown ascended state that had a significant impact on him Near death experiences are not magic nor do they produce saints And we can thank David for revealing this for baring his soul From the struggles and depression that followed there emerged a truly changed man who knew positively knew that there is more to life than we are taught and more to God s Greater Plan for us than we might imagine

Soul Bare Cara Sexton,2016-07-05 How are Christians supposed to have hope and experience wholeness amidst personal challenges and failures Featuring contributions from influential young writers like Emily P Freeman Sarah Bessey Holley Gerth and more these poignant and powerful reflections help you experience beauty in the brokenness of real life laid bare

Journey Through the World of Spirit David L. Oakford,2007-07 David Oakford s story is true real and utterly profound Although street drugs were clearly the initial for this NDE what happened next was a full blown ascended state of consciousness that is well documented in the spiritual and scientific literature This book is once again revealing that NDE s are not magic nor do they produce saints And we can think David for baring his soul as to the psychic struggles and the depression that followed his awakening Because ultimately there emerged a transformed man who knew positively knew that there is more to life and death than we are taught in our religious organizations and more to God s greater plan for us than we can imagine today
