## **Souls Of The Skyscraper:**

**The Souls of the Skyscraper** Lisa M. Fine, 1990 During the late nineteenth century a visitor to the city of Chicago would have looked in wonder at the many strange new and exciting sights the nation's first skyscrapers the bustling and congested streets the large department stores and the business girls *The Souls of the Skyscraper* documents and explains the transformation of clerical work from a male to a female occupation amidst the industrialization and urbanization of the United States Using literary organizational statistical cinematic and archival evidence primarily from Chicago Lisa M Fine explains the historical reasons why clerical work became women's work The appearance of the female clerical worker in the business office signaled two on going developments the simple shift of women entering and dominating office jobs that were previously held by men and the changing gender definition of clerical work This new opportunity for employment provided women with relatively well paying and respectable jobs even though the prestige of the clerical positions was devalued as more women were hired While economic forces contributed to this process of occupational change the vocational education of women the availability of various types of social services such as group homes e g the Eleanor Residences and the evolving image of the working girl in the popular culture encouraged women to seek clerical positions Fine explores the realms where the gender definition of clerical work was discussed and negotiated among technical experts in the popular culture in the prescriptions and actions of civic leaders and in the private worlds of clerical workers themselves In revealing the dynamics of change within the clerical sector she enhances our understanding of occupational sex typing Author note Lisa M Fine is Assistant Professor of History at Michigan State University

**Building Corporate Soul** Ralf Specht, 2022-02-22 To succeed the business of the future must have soul *Building Corporate Soul* answers the most pressing questions for leaders today How do I build and sustain a human centric performance culture At a time when 10 000 baby boomers retire every day 79% of employees quit their jobs because they don't feel appreciated at their workplace and 69% of millennials see a lack of potential for leadership development in their companies *Building Corporate Soul* sets out to transform the performance and value of organizations and to make soulless companies a thing of the past Ralf Specht's unique framework The Soul System aligns value creating employee behaviors with corporate strategy through shared understanding and shared purpose Based on the latest research and real life cases this actionable framework shows how to build a culture at the workplace that is both human centric and success driven Specht proves that leadership behaviors that build soul are synonymous with the behaviors that build success His performance ranking The Soul Index confirms that companies that operate within this framework outperform their peers by a factor of 2.6 compared with Dow Jones over 5 years *Building Corporate Soul* helps leaders at every level move beyond their current thinking and create an environment in which business goals are well understood and corporations walk their talk Both this shared understanding and the subsequent shared behavior are critical to turn a company's purpose into a real means to an end superior success and a truly motivated workforce that is proud of its role

inside the organization and of its impact on the local community and society overall You ll see how companies of all sizes startups and legacy corporations have made this happen You ll also learn how every leader no matter the industry can ignite or re ignite the corporate soul in their firm Ralf Specht is a visionary business leader and creator of the Soul System a framework that aligns value creating employee action with broader corporate strategy through shared understanding and shared purpose As a founding partner of Spark44 he was the architect of an innovative industry first joint venture with Jaguar Land Rover which grew under his leadership to a global revenue of 100 m and 1 200 employees before it joined forces with Accenture Interactive in 2021 Previously he consulted with global companies and brands for more than two decades with McCann Erickson Besides Building Corporate Soul Powering Culture Success with the Soul System he is the author of the forthcoming book Beyond the Startup Sparking Operational Innovations for Global Growth *Frank Lloyd Wright : The Early Years : Progressivism : Aesthetics : Cities* Donald Leslie Johnson,2016-10-14 Frank Lloyd Wright The Early Years Progressivism Aesthetics Cities examines Wright s belief that all aspects of human life must embrace and celebrate an aesthetic experience that would thereby lead to necessary social reforms Inherent in the theory was a belief that reform of nineteenth century gluttony should include a contemporary interpretation of its material presence its bulk and space its architectural landscape This book analyzes Wright s innovative profound theory of architecture that drew upon geometry and notions of pure design and the indigenous as put into practice It outlines the design methodology that he applied to domestic and non domestic buildings and presents reasons for the recognition of two Wright Styles and a Wright School The book also studies how his design method was applied to city planning and implications of historical and theoretical contexts of the period that surely influenced all of Wright s community and city planning **Character Building** Edward Payson Jackson,1896 *Gazetteer of the Bombay Presidency: Kaira and Panch Maháls* ,1879 Proceedings of the Oxford Architectural and Historical Society Oxford Architectural & Historical Society,1880 *Soul Legacy* A.J.
