

The background of the entire image is a monochromatic blue-toned illustration of a post-apocalyptic landscape. In the center, the silhouette of a person with long hair stands on a grassy ridge, looking out over a desolate city. The city features several tall, rectangular buildings, some of which appear damaged or partially collapsed. To the left, there are two utility poles with multiple cross-arms. To the right, a large construction crane stands amidst the ruins. A large, bright, circular moon or sun is positioned in the sky, partially obscured by the city's structures. The overall atmosphere is one of quiet observation and the aftermath of a significant event.
