**Translated from the German by Richard and Clara Winston** Ernst Benz, **Eastern Orthodoxy Illuminated by the Gospel** Ivica StamenkoviA++,2023-10-24 Eastern Orthodoxy illuminated by the Gospel is one of the greatest books ever written about the Orthodoxy Reading the book Eastern Orthodoxy illuminated by the Gospel is like climbing a high mountain where your visual field gets expanded with each step discovering new and exciting details and finally gives an exceptional panoramic view that evokes the strongest feelings Each new line is like a new stair leading to a highest top from where you can observe the whole Orthodoxy Orthodoxy from God s perspective Light of the glorious Gospel and Christ s teachings shines like the sun throughout this book illuminating a complete profession of faith of the Eastern Orthodox Church Sladjan Djuric Author of the book Only Scripture Serbia I have never understood why Eastern Orthodox people practice or believe certain things When I would ask I would either get silence or a very confusing and superficial answer Ivica s book made those mysterious things clear for the first time and helped me understand the essence and the roots of the Orthodox religion Without exaggeration I think this is a first class apologetic manual ever written Everyone who is called to work with Orthodox believers should have this book because it can help them understand the people who practice Eastern Orthodoxy and give them directions how to pray and preach the Gospel more efficiently 2 Corinthians 4 3 4 Ephesians 6 12 Jan Vareca Editor of a Christian e magazine The trumpet of Zion Serbia Eastern Orthodoxy has been largely unknown in the West but in the recent years there has been a surge of interest particularly among Christians of Protestant Evangelical orientation many of whom wish to find out more about this mystical expression of faith that captivates by its ancient charm and connection to the early church fathers The book Eastern Orthodoxy Illuminated by the Gospel by Ivica Stamenkovic will unlock the mysteries of Eastern Orthodoxy for the Western readers A native of Serbia a country with a strong Eastern Orthodox majority Ivica had the advantage of studying Eastern Orthodoxy at its source The product of his studies is a volume that deserves to be called nothing less than a textbook on Eastern Orthodoxy and probably the first of its kind available in the English language His clear scholarly approach leaves no stones unturned Needless to say a study such as this one has been long overdue in the West Even though scholarly the book is by no means dry and is an enjoyable read cover to cover Alex Jovanovic Pastor of Mooretown Brethren in Christ Church Sandusky Michigan USA **The Eastern Orthodox Church, its thought and life** Ernst Benz,1963 *Eastern Orthodox Mission Theology Today* James J. contemporary Catholicism or Eastern Orthodoxy has maintained the heritage of the first millennium on the understanding of the Papal office

**Orthodox Christianity** Carl S. Tyne, 2003 The Orthodox Church is one of the three major branches of Christianity There are over 300 million adherents throughout the world The Orthodox Church is a fellowship of independent churches which split from the Roman Church over the question of papal supremacy in 1054 The Orthodox adherents include people in Greece Georgia Russia and Serbia There are an estimated one million members in the United States This Advanced book explains the basic principles of Orthodox Christianity and describes in detail the holidays observed by the Orthodox Church In addition relevant book literature is presented in bibliographic form with easy access provided by title subject and author indexes

**Deification in Eastern Orthodox Theology** Emil Bartos, 1999 This book examines the past and present of the English parish system and proposes a new way of structuring the church in England rooted in the Anglo Saxon world The English parish is in a state of crisis Ideally suited to the static agricultural hierarchical society in which it developed it has become a severe impediment to the Church's work today It needs to change In this fascinating and insightful book Nick Spencer explores the parish's past present and future He shows that rather than being synonymous with English Christianity the parish was a comparatively late arrival on the scene and one whose main roots were economic and social rather than ecclesiastical He goes on to explain why the parish is now singularly inappropriate for modern ministry before proposing a genuine alternative based on the system of Anglo Saxon minster churches out of which parishes grew
