Poems written for a cause

Songs Unsung

Eliakim Littell, Robert S. Littell

Songs Unsung:

Complete Songs for Solo Voice and Piano, Part 2 Hamish MacCunn, 2016-01-01 Britain long revered for its choral music and partsongs had largely neglected art songs since the Elizabethan era. The middle of the nineteenth century witnessed efforts to revive the genre particularly in the works of Sir C Hubert Parry and Sir Charles Villiers Stanford. The following generation including the Scottish composer Hamish MacCunn 1868-1916 built on the foundations laid by Parry and Stanford and served as the bridge to the vocal music of Ralph Vaughan Williams Sir Edward Elgar Ivor Gurney John Ireland and ultimately Benjamin Britten. Though best known for his Scottish influenced compositions MacCunn composed over 100 songs that free from national constraints are some of the most refined and sophisticated examples of his music. Almost no modern editions of MacCunn's songs exist though many were published during the composer's lifetime. The current two part edition presents the composer's 102 extant songs. Part 1 contains 53 individual songs. Part 2 presents the songs that were first published as small collections.

Afternoon Songs Julia Caroline Ripley Dorr, 1885 **Americana outlaws** Wiebren Rijkeboer, 2020-04-30 In *Americana outlaws* portretteert Wiebren Rijkeboer vijftig Amerikaanse singer songwriters die in de roemruchte jaren zeventig hun finest hour beleefden. Hij neemt de lezer mee in zijn beleving van alle mooie en bijzondere albums die dat decennium kleur gaven. In vijftig beschouwende stukken vertelt hij waarom deze platen onterecht vergeten zijn en niet mogen ontbreken in iedere verzameling. Van de koffiehuizen van New York tot de stranden van Los Angeles van de hooggelegen prairies van Texas tot de heuvels van het Diepe Zuiden. Dat zijn de decors waarin Rijkeboers muzikale helden zich manifesteerden met tijdloze albums als resultaat. Niet eerder bracht een schrijver de werelden tezamen van de uiteenlopende geschiedenis van Amerika's beste singer songwriters en het muzikale erfgoed dat zij produceerden. Deze uitgave verscheen eerder onder dezelfde titel in de Tzum reeks.
