**D Keegan**

## Sonnets To Orpheus:

**Sonnets to Orpheus** Rainer Maria Rilke, 2012-01-01 *Sonnets to Orpheus* is Rainer Maria Rilke's first and only sonnet sequence. It is an undisputed masterpiece by one of the greatest modern poets translated here by a master of translation. David Young Rilke revived and transformed the traditional sonnet sequence in the *Sonnets*. Instead of centering on love for a particular person as has many other sonneteers, he wrote an extended love poem to the world celebrating such diverse things as mirrors, dogs, fruit, breathing, and childhood. Many of the sonnets are addressed to two recurrent figures: the god Orpheus, prototype of the poet, and a young dancer whose death is treated elegiacally. These ecstatic and meditative lyric poems are a kind of manual on how to approach the world, how to understand and love it. David Young's is the first most sensitive of the translations of this work, superior to other translations in sound and sense. He captures Rilke's simple, concrete, and colloquial language writing with a precision close to the original. *The Sonnets to Orpheus* Rainer Maria Rilke, 2019-07-29 The fifty-five *Sonnets to Orpheus* were written by Rilke in February 1922 in the solitude of the medieval tower of Muzot in the Swiss Valais.

**Sonnets to Orpheus** Rainer Maria Rilke, 2024-06-18 2025 Indie Book Awards Finalist Poetry. Rilke's voice from the last tumultuous young century reaches tenderly into ours. But his lush German is a language of its own. Mark Burrows has a rare gift to coax it faithfully into English. I am delighted and so very grateful for this book. Krista Tippett, host of *On Being*. On the centennial of the first appearance, 1923, of Rilke's *Sonnets to Orpheus*, award-winning translator Mark Burrows reveals their depth and meaning with a brilliant new introduction and translation. This new translation captures the lyric beauty of Rilke's poems, honoring their syntactic peculiarities and grammatical complexities as few translators have dared to do. Burrows' versions maintain the essential strangeness of language and abruptness of metaphor by which the sonnets attain their distinctive character in German. Burrows' approach replicates what one reviewer describes as the poems' dazzling obscurity, refusing to resolve the deliberate difficulties. Rilke's formulations present. The effect invites readers to linger with these sonnets, allowing themselves to be shaped in their encounter with them. *Sonnets to Orpheus* Rainer Maria Rilke, 2002 Presents Rilke's 1922 *Sonnets to Orpheus*, written in a burst of inspiration and expressing a vision of a state of being in which all the ordinary human dichotomies are reconciled in an infinite wholeness. Also included is his *Letters to a young poet*, an influential series of letters written to a young officer cadet on the subject of poetics. *Rilke's Sonnets to Orpheus* Hannah Vandegrift Eldridge, Luke Fischer, 2019-05-10 Written in three weeks of creative inspiration, Rainer Maria Rilke's *Sonnets to Orpheus* 1923 is well known for its enigmatic power and lyrical intensity. The essays in this volume forge a new path in illuminating the philosophical significance of this late masterpiece. Contributions illustrate the unique character and importance of the *Sonnets*, their philosophical import as well as their significant connections to the *Duino Elegies*, completed in the same period. The volume features eight essays by philosophers, literary critics, and Rilke scholars which approach a number of the central themes and motifs of the *Sonnets* as well as the significance of their formal and technical

qualities An introductory essay co authored by the editors situates the book in the context of philosophical poetics the reception of Rilke as a philosophical poet and the place of the Sonnets in Rilke s oeuvre Above all this volume s premise is that an interdisciplinary approach to poetry and more specifically to Rilke s Sonnets can facilitate crucial insights with the potential to expand the horizons of philosophy and criticism Essays elucidate the relevance of the Sonnets to such wide ranging topics as phenomenology and existentialism hermeneutics and philosophy of language philosophy of mythology metaphysics Modernist aesthetics feminism ecocriticism animal ethics and the philosophy of technology

**The Sonnets to Orpheus of Rainer Maria Rilke** Rainer Maria Rilke,1981 **The Sonnets to Orpheus I** Joshua Jennings,Rainer Maria Rilke,2015-09-15 The Sonnets of Orpheus I by Rainer Maria Rilke Translated by Joshua Jennings A ShortWorks Publication ShortWorks is an independent publishing group that compiles short compelling works from arts music and literature to social criticism and history to science and technology [www shortworks co](http://www.shortworks.co) Duino Elegies and The Sonnets to Orpheus Rainer Maria Rilke,2005 Long considered the definitive English translation of Rilke s brilliant andhaunting masterworks A Poulin s edition of Duino Elegies and The Sonnets to Orpheus provides an essential introduction to some of the most passionate and intensely creative visionary poetry of the twentieth century With a new foreword by the esteemed poet Mark Doty and a fresh new design Poulin s revered translation is certain to acquaint a new generation of readers with the works of Rilke

**Sonnets to Orpheus** Rainer Maria Rilke,2002 Presents Rilke s 1922 Sonnets to Orpheus written in a burst of inspiration and expressing a vision of a state of being in which all the ordinary human dichotomies are reconciled in an infinite wholeness Also included is his Letters to a young poet an influential series of letters written to a young officer cadet on the subject of poetics *Sonnets to Orpheus and Duino Elegies* Rainer Maria Rilke,2014-01-01 The cycle of 55 sonnets that comprise Rainer Maria Rilke s Sonnets to Orpheus were written in a period of three weeks during 1922 a time which the poet himself described as a savage creative storm Inspired by the death of his daughter s friend Wera Knoop Rilke commenced to the production of Sonnets to Orpheus a work filled with mythological and biblical allusions During the same burst of creative energy he set to working on the completion of the Duino Elegies a work begun some ten years earlier but set aside due to Rilke s own emotional distress over the tragic events of World War I and his conscription into the Austro Hungarian army He wrote in a letter to the deceased girl s mother that Wera s ghost was commanding and impelling him to write The results of this savage creative storm are generally considered as Rilke s masterpieces Duino Elegies is an intensely spiritual group of verses that ponders the beauty and existential suffering of life Together these works exhibit why Rilke is widely recognized as one of the most lyrically intense of all German language poets **Sonnets to Orpheus (Bilingual Edition)** Rainer Maria Rilke,2015-02-28 COMPOSED IN A BURST of inspiration near the end of the poet s life Rilke s Sonnets to Orpheus represents the consummation of the writer s career distilling the essence of his poetic wisdom in a gem like sequence This new translation with the original German on facing pages offers a clear window into the world of this endlessly scintillating

cycle of poems Daniel Polikoff's English version of Rilke's last sonnet sequence perhaps his greatest work is wholly admirable. Rilke's late work is extremely difficult to penetrate. Both its conceptual nature and Rilke's unique use of the German language tend to resist interpretation. Astonishingly, Polikoff has found ways of rendering Rilke's complexities into English and also preserving his metrical and rhyme schemes. Such an accomplishment is possible only with a deep understanding of Rilke's vision and a knowledge of the root structure of German. Daniel Polikoff gives us Rilke in word and spirit in these splendid Sonnets. LISEL MUELLER National Book Award for Poetry 1981 for *The Need to Hold Still* Pulitzer Prize for Poetry 1997 for *Alive Together* New Selected Poems. Daniel Polikoff is the first to achieve the unimaginable: an English translation which brings the form and content of these Sonnets together into an organic confluence. These new translations lift our understanding of Rilke's spiritual and aesthetic inspiration up to a whole different level, one accessible for the first time to the English reader. As a professor of German literature who has taught these sonnets for over thirty years, I can only thank Daniel Polikoff for this phenomenal accomplishment. His version should serve as the new standard for Rilke translations and belongs on the bookshelves of every poetry lover. LUDWIG MAX FISCHER author of *Seasons of the Soul: The Poetic Guidance of Herman Hesse*. This is a uniquely faithful, skillful, and eloquent translation of one of the greatest poems of the 20th century. I salute Daniel Polikoff and recommend his wonderful work to all seekers and lovers of poetry. ANDREW HARVEY author of *Teachings of Rumi*. Poet scholar Daniel Joseph Polikoff has published two books of poetry as well as a major work on Rilke and depth psychology. In *The Image of Orpheus: Rilke's A Soul History* — **Sonnets to Orpheus** Rainer Maria Rilke, 2007. Rainer Maria Rilke's *Die Sonette an Orpheus* first appeared in German in 1923. Furtak's translations skillfully evoke the mysterious and enigmatic nature of these poems, and his introductory philosophical essay guides the reader through the abundant mystical and spiritual insights that Rilke's verse contains. This new edition of a literary masterpiece is essential reading for anyone interested in the philosophical implications of poetry. BOOK JACKET — *The Duino Elegies & The Sonnets to Orpheus* Rainer Maria Rilke, 2014-11-26. Available for the first time in a single volume. Rainer Maria Rilke's two most beloved sequences of poems, rendered by his most faithful translator. Rilke is unquestionably the twentieth century's most significant and compelling poet of romantic transformation and spiritual quest. His poems of ecstatic identification with the world exert perennial fascination. In Stephen Mitchell's versions of Rilke's two greatest masterpieces, readers will discover an English rendering that captures the lyric intensity, fluency, and reach of his poetry. Stephen Mitchell adheres impeccably to Rilke's text, to his formal music, and to the complexity of his thought at the same time. Mitchell's work has authority and power as poetry in its own right. *Doodgewone woorden: Het NS-discours en de ontwikkeling van de Shoah* Fabian van Samang, 2010. [Sonnets to Orpheus \[German Text on Facing Page\]](#), 1960 — **Orpheus** Don Paterson, 2007. Rainer Maria Rilke's 55 *Sonnets to Orpheus* remain a testimony to a writer whose significance other poets continue to testify to. Don Paterson's translation offers a radiant and at times distressing version of the great work. **Rilke's Sonnets to Orpheus**

Rainer Maria Rilke, Nancy Billias, 2023-08 For ten years Rilke struggled to create the Duino Elegies a cycle of ten unrhymed free form poems By contrast the fifty five Orphic sonnets presented here were composed in just three weeks in and as the wake of the final elegy In this the first sonnet form translation to appear in print since 1960 the translator has sought to retain the musicality of the poems to hew as closely as possible to the rigid and constricting rhythm and rhyme schemes through which Rilke proclaims the task of the poet to listen to being in a most unique way and to undertake the mystical work of inhabiting and praising the wonder of being as it saturates and transcends the here and now The eternal questions of time death God and meaning are answered as they always must be by an appeal to the ideals of beauty and love     **In**

**Praise of Mortality** Rainer Maria Rilke, 2022-06-19 Rainer Maria Rilke's poetry offers a rare combination of insight beauty and accessibility that has delighted readers for generations Beloved for its unique lyrical style and musical language his work stands as some of the most remarkable poetry of the past one hundred years In Praise of Mortality is an artfully curated selection of poems from Sonnets to Orpheus and Duino Elegies that investigate the emotional and psychological impact of the industrial revolution and meditate on themes of impermanence and the steady passage of time Barrows an award winning poet herself and Macy a well known spiritual teacher bring to their translations a striking sensitivity to the subtle currents of the work approaching the poems with a fresh perspective that highlights the delicacy of their craft and beauty With a deep reverence for nature and a singular ability to embody the tenuous connection between the spiritual and material Rilke's sonnets and elegies are a thoughtful antidote to the distractions noise and ever increasing pace of the modern world
