that book told only half the story Growing up in a rambunctious family in Rockhampton Mary discovered an extraordinary early passion for ballet It saw her move to London at age sixteen to study at the Royal Ballet School and dance at the London Festival Ballet with the likes of Nureyev and later to Houston Ballet where as Principal Dancer she fell in love with the acclaimed Chinese ballet dancer Li Cunxin The couple became the darlings of the dance world and were happier than they could have imagined at the arrival of their firstborn daughter Sophie Then right at the height of her international career Mary seemingly disappeared from view leaving the fans aghast What could have happened to cause a woman so committed so talented to give it all away in a heartbeat Now almost twenty years on fans finally get their answer about what happened next to this inspiring family and learn why it is Mary s turn to tell a truly remarkable tale This is a powerful and uplifting memoir about chasing an impossible dream and sacrificing one s own ambition for the love of a child It is a moving and unforgettable story of passion dedication and devotion and the highly anticipated sequel to one of the world s most beloved books
