Sorcerers Skull:

Gebuano Sorcery Richard Warren Lieban, **The Face in the Frost** John Bellairs, 2014-04-01 A fantasy classic by the author of *The House with a Clock in Its Walls* basis for the Jack Black movie and a writer who knows what wizardry is all about Ursula K Le Guin A richly imaginative story of wizards stymied by a power beyond their control *A Face in the Frost* combines the thrills of a horror novel with the inventiveness of fairy tale inspired fantasy Prospero a tall skinny misfit of a wizard lives in the South Kingdom a patchwork of feuding duchies and small manors all loosely loyal to one figurehead king Along with his necromancer friend Roger Bacon who has been on a quest to find a mysterious book Prospero must flee his home to escape ominous pursuers Thus begins an adventure that will lead him to a grove where his old rival Melichus is falsely rumored to be buried and to a less than hospitable inn in the town of Five Dials and ultimately into a dangerous battle with origins in a magical glass paperweight Lin Carter called *The Face in the Frost* one of the best fantasy novels to appear since *The Lord of the Rings* Absolutely first class With a unique blend of humor and darkness it remains one of the most beloved tales by the Edgar Award nominated author also known for the long running Lewis Barnavelt series **Cebuano Sorcery** Richard W. Lieban, 2023-11-15 *Cebuano Sorcery* Malign Magic in the Philippines offers an in depth exploration of persistent sorcery beliefs and practices in the Cebuano region of the Philippines shedding light on their cultural significance amidst centuries of social transformation Drawing on extensive fieldwork conducted in Negros and Cebu City the book examines the enduring presence of barang sorcery a feared magical practice involving the use of enchanted insects to harm others By comparing contemporary cases with historical accounts dating back to the Spanish colonial era the author reveals striking continuities in these beliefs despite the region's exposure to colonialism modernization and the rise of Western medicine Through 111 case studies the book investigates how sorcery remains a critical lens through which Cebuanos interpret illness and social conflict This study not only documents the mechanisms and cultural context of Cebuano sorcery but also delves into its dynamic interaction with modernity It examines the competition between folk and modern medicine highlighting how traditional practices persist or adapt in urban and rural settings affected by varying degrees of social change By focusing on the intersection of medical and social factors the book provides valuable insights into the role of magical beliefs in shaping human perception and behavior across cultures It is both a compelling ethnographic account of Cebuano sorcery and a significant contribution to the broader understanding of witchcraft and social conflict in developing societies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1967 *The Oathbreakers* Mike D. Martin, 2021-09-23 *The Kingdom of Elesia* stands upon the brink of ruin A brewing war with the empire to the south threatens to engulf the entire continent in turmoil and

chaos But while kings and lords fight over petty things like power and control a far greater threat grows in the shadows Monsters and strange beasts roam the countryside in numbers which seem to be growing faster than once thought possible Darkness sweeps over the land Some even believe that an ancient evil stirs awaiting the chance to break free of its eternal prison A lone monster hunter finds himself being drawn back into a world he thought he d left behind when he is tasked with hunting and killing a monster for the man who had caused the grief and traumas that have left him a broken man Aided by an assorted crew of powerful fighters the monster hunter must confront both his own past and a world falling to chaos as he fights both man and beast on a perilous quest that will bring him ever closer to the rising darkness and the powerful creatures that draw strength from it But in a world full of monsters the monster hunter may yet come to realize that the worst monster of all is the one born of grief and trauma that lurks within himself
