## **Soul Power:**

**SOUL POWER - The Five Noble Truths for an Enlightened Life** Paul Rodney Turner, 2017-12-21 HAVE YOU EVER FELT HOPELESS HAVE YOU EVER FELT POWERLESS HAVE YOU EVER FELT BELITTLED Feelings of mediocrity or failure are all symptoms of false ego a false identification with your outer shell the material body SOUL POWER is here to set you free from the illusory shackles created by a mischievous mind In this book you will learn the five noble truths to understanding your inherent greatness and how to conquer all feelings of inadequacy Part of the challenge of incorporating a positive outlook on life is the need to first reprogram the mind to respond in a way that is beneficial to your desired goal For too long we have allowed our minds to be polluted by the selfish desires of corporations and their false advertising As a result we now find that corporate marketing messages have become an integral part of language and culture You have more power than you may realize The first step on the path of self empowerment is to monitor the activities of our wayward minds Take the time to observe your instinctive responses to information and the experiences that unfold around you and objectively decide if those responses are desirable or not More than likely they are not desirable and probably cause you unnecessary anguish and hardship When you make an effort to shut down the false programming inside your mind and any negative influences coming from the outside by repeatedly affirming your soul brilliance through soul affirmations you will quickly discover just how enslaved you had allowed your true Self to become I promise you the information in this book will transform your life SOUL POWER also includes unique affirmation yantras to aid in your meditation all of which have been mathematically mapped to the most harmonious magic square of the Sun
