## **Souls Secret Door:**

Through These Eyes Suzee Marincic, 2008-04-28 *Through These Eyes* is a collection of work from a traveler of life. During our days we all must travel and journey through an assortment of phases and stages until we inevitably come upon the path of growing into our true inner self. This book is the first process of that development, the first stage of that growing and discovering. It begins with a young girl who takes on life while being guided by senses and embarks on her inner growth of Light while writing along the way to help express herself through life lessons. Motherhood found her at an early age and that birth gave her a re-birth with life and inspiration to write *Through These Eyes* with hopes to help guide her son and introduce herself to him not only as his mother but as an everyday soul and in this first step begin to define a new meaning of what living is. This book of chronicles shows the human way of traveling through pain, tears, confusion, wondering, succeeding, smiling, and simply living. It introduces a real soul with real raw emotions with no holding back on her universal struggles to reach her full growth and altogether when it's all said and done it comes down to holding Light and Hope for this world.

**HOLY SERMONS OF ANAND SAHIB**, 2022-07-24. HOLY VERSES OF ANAND SAHIB were uttered by the third master Shri Guru Amar Dass Ji and these Holy Verses are recited by the Sikhs at Dawn. I hope that after going through this holy book the feelings of true devotion, true faith, and true love for the Almighty God, who is the Creator of all and everything will be created and developed both into your minds and hearts. The goal or main objective of the human life is only to have union with the Supreme Soul, means the Almighty God, and to attain the salvation. The human life is provided to a person by the Lord so that he or she may make efforts to get rid of transmigration of the soul to avoid the cycle of repeated births and deaths by performing noble and good deeds and by pondering over the pious name of the Almighty Lord.

**The Masters and the Slave** Russell D. Brady, 2010-01-19. Each of us has a belief system in which at one extreme rejects everything that cannot be proved and at the other is open to all possibilities. Most of us believe in an afterlife although we don't all agree on what, where, and how that life is to be lived. Do our souls roam the earth, go to Heaven or Hell, or somewhere in between? This story touches on the latter wherein a reclusive metaphysicist has opened a portal from his conservatory into Purgatory or a Netherland where many of the masters of old who are all destined for Heaven remain because they feel their lives were cut short, obviating the opportunity to complete their lives' works.
