**HEALING ACROSS TIME I** Lorrie Leigh, 2023-11-09 What are you thinking Lorrie Why would you tell on yourself to the whole world Answer Because the Holy Spirit asked me to tell my story to help others A central theme of this book is What is wrong with me I learned that what was wrong was that I had many partially split personalities that had not been evident to me or others and that repressed painful and guilty memories from my childhood and adulthood were surfacing The teachings in A Course in Miracles enabled me to face those memories My journey has been painful and a little weird but I am glad I chose to walk into the darkness rather than deny it because that choice led to healing and peace for me I pray that my story will help many others come to a place of healing and peace

**Latin Literatures of Medieval and Early Modern Times in Europe and Beyond** Francesco Stella, Lucie Doležalová, Danuta Shanzer, 2024-07-15 The textual heritage of Medieval Latin is one of the greatest reservoirs of human culture Repertories list more than 16 000 authors from about 20 modern countries Until now there has been no introduction to this world in its full geographical extension Forty contributors fill this gap by adopting a new perspective making available to specialists but also to the interested public new materials and insights The project presents an overview of Medieval and post medieval Latin Literatures as a global phenomenon including both Europe and extra European regions It serves as an introduction to medieval Latin s complex and multi layered culture whose attraction has been underestimated until now Traditional overviews mostly flatten specificities yet in many countries medieval Latin literature is still studied with reference to the local history Thus the first section presents 20 regional surveys including chapters on authors and works of Latin Literature in Eastern Central and Northern Europe Africa the Middle East Asia and the Americas Subsequent chapters highlight shared patterns of circulation adaptation and exchange and underline the appeal of medieval intermediality as evidenced in manuscripts maps scientific treatises and iconotexts and its performativity in narrations theatre sermons and music The last section deals with literary interfaces that is motifs or characters that exemplify the double sided or the long term transformations of medieval Latin mythologemes in vernacular culture both early modern and modern such as the legends about King Arthur Faust and Hamlet

*Journeys Through Time & Space* Mark Twain, H. G. Wells, Edgar Rice Burroughs, David Lindsay, E. R. Eddison, 2017-07-11 A Nebula Award winner presents tales that shaped modern science fiction and fantasy five complete novels by Mark Twain H G Wells and more In this handpicked collection New York Times

bestselling author Greg Bear travels back to the late nineteenth and early twentieth centuries when novelists let their imaginations soar beyond conventional boundaries of time and space and contributed to the emergence of imaginative new literary genres In 1889 Mark Twain introduced Americans to time travel in A Connecticut Yankee in King Arthur s Court in which a hard headed New Englander is sent back through history to the age of chivalry Six years later H G Wells propelled an intrepid inventor into the far future via The Time Machine there our fearless hero discovers a nightmarish evolutionary scenario in which technologically advanced but mutated Morlocks dwell underground preying on the innocent aboveground Eloi In 1912 long before Ray Bradbury or Star Wars Edgar Rice Burroughs imagined the first wildly popular alternative fantasy alien culture with A Princess of Mars transporting readers from Arizona to the red planet where Confederate soldier John Carter is swept up in another kind of civil war and seduced by a gorgeous red hued princess In 1920 Scottish novelist David Lindsay presented A Voyage to Arcturus an interstellar quest for truth as well as an inquiry into the nature of good and evil that inspired generations of fantasy writers to come And in 1922 E R Eddison turned the planet Mercury into a fantasy version of Earth where demons and witches wage war on a Homeric scale in The Worm Ouroboros With an insightful introduction Bear celebrates the writers who first swept readers away to other times and worlds and blew their minds in ways that altered our literary landscape and collective imagination forever **Sword of Tomorrow** Henry

Kuttner,2012-01-17 Trance borne to a far distant age Pilot Ethan Court is plunged into peril and adventure on a strange new world where his courage and idealism are put to a stern test ExcerptIt was always easier when he sank into the opium drugged stupor from which not even torture could rouse him At first he clung to two memories his rank and his Army serial number By focusing his pain hazed mind on those realities he was able to keep sane After a while he didn t want to keep his sanity Men can survive a year or two years in a Japanese prison camp They may emerge maimed spiritually sick but alive They remember their own names He used to say it aloud at first in the musty darkness of the cell Ethan Court he whispered to the black hidden walls Ethan Court And then Times Square Tiffany s Bretano s Staten Island The Yankee Stadium pop corn whisky sours Greenwich Village Presently he noticed that the sound of his voice was different and after that he scarcely spoke The horrible lethargy of inaction closed around him Occasionally though less often now he was taken before Japanese officers who questioned him He was somewhere in Occupied China he knew but since his plane had been forced down he had been shunted for a long distance by a roundabout route He guessed that this was a temporary headquarters probably on the site of some old Chinese town and he suspected that it was in the hill country His savage captors told him nothing of course They just asked questions How much could he disclose in the way of military information the Japanese did not know Hard pressed they were overlooking no bets His stubbornness enraged them The commander of the post a disappointed samurai of a politically unpopular family gradually came to believe that a feud existed between Court and himself It became a contest between the Japanese officer and the American entirely passive on one side ruthlessly active on the other Time dragged on

while bombers roared in increasing numbers over Japan and the brown hordes sullenly withdrew from Burma and Thailand and the islands north of Borneo This headquarters was isolated but in a strategic spot The commander saw the tides of war rage past him and recede The radio gave him no comfort The Emperor of Japan was silent upon his throne A transfer required time In enforced idleness the Nipponese commander devoted himself to breaking the will of the American Torture failed and so he tried an ancient Japanese trick opium It was mixed in Court s food and after a while the craving grew in him The Jap officer kept his prisoner saturated with the drug Court s mind dulled *Holbein and his Time ... GEORGE FALLS THROUGH TIME IS Incredibly entertaining and intelligent GARRARD CONLEY Big hearted and inspired STEVEN ROWLEY Funny surprising profound GRANT GINDER Unputdownable LUNA MCNAMARA Less meets the year 1300 in this exhilarating and thoughtfully genre defying literary novel about a man transported through time in a moment of extreme stress whose modern anxieties are replaced by medieval brutalities Newly laid off George s internet bill is in his ex boyfriend s name He s got a spider infested apartment and two of the six dogs he s walking in London have just escaped It s pure undiluted stress that sends him into a spiral all the way to the year 1300 When he comes to George recognizes the same rolling hills of Greenwich Park But the luxuries and phone service of modernity are nowhere In their place are locals with a bizarre slanted speech in awe of his foreign clothes who swiftly toss him in a dungeon Despite the barbarity of a medieval world a servant named Simon helps George acclimate to a simpler easier existence until a summons from the King threatens to send his life up in flames George Falls Through Time is as much an inward journey as an outward one an immersive exploration of identity and dislocation that pits present day sensibilities against a raw and alien backdrop a strangely perfect canvas for the absurd anxieties of our modern lives It s a profound meditation on the nature of desire perfect for fans of Madeline Miller and The Ministry of Time
