Sociolinguistics Report Language Social Status:

Language Class: Reflecting on the Linguistic Articulations of Structural Inequalities Claudia Ortu, Francesco Bachis, 2023-04-18 This volume explores the issue of social class from the point of view of its linguistic articulations Indeed as Machin and Richardson 2008 stated discourses may be variously approached as often simultaneously reflecting class structures as a site of class inequalities as expressive of class identities or class consciousness and or as a constituent part of more performative class action Some of the contributions that make up the volume were presented at a conference held at Cagliari University Italy in 2017 and responded to the call for analyses on the role of language in reflecting maintaining enacting and inculcating ideas on social class in literary and non literary texts and discourses in any cultural or linguistic setting This volume aspires to encourage scholars in disciplines and academic fields that have shied away from reflections on structural inequalities in favor of studies on ethnic gender and cultural identities in the last decades to take back on board the concept of social class and to engage with it in a novel way The variety of approaches ranging from the more traditional sociolinguistic one anthropology to literary and discourse studies and cultural settings with case studies coming from 3 continents represented in the chapters show that social class is a productive and illuminating concept for trying to re make sense of social reproduction and change *Resources in Education* ,1989 *The SAGE Handbook of Sociolinguistics* Ruth Wodak, Barbara Johnstone, Paul E Kerswill, 2010-09-23 A treasure trove for sociolinguistic researchers and students alike Edited by three leading sociolinguists the 39 chapters cover a wealth of valuable material And the cast list reads like a veritable Who's Who of sociolinguistics with a refreshing number of younger scholars included along with more familiar well established names This is a book that I will reach for often both for research and teaching purposes I will recommend it to my postgraduate students and many of the chapters will provide excellent material for discussion in our advanced undergraduate sociolinguistics course Janet Holmes *Discourse Studies* The best the most complete and the most integrated handbook of sociolinguistics of the past decade Joshua A Fishman NYU and Stanford University This Handbook answers a long standing need for an up to date comprehensive international in depth critical survey of the history trajectory data results and key figures involved in sociolinguistics It consists of six inter linked sections The History of Sociolinguistics Sociolinguistics and Social Theory Language Variation and Change Interaction Multilingualism and Contact Applications The result is a work of unprecedented coverage and insight It is all here from the foundational contributions to the field to the impact of new media new technologies of communication globalization trans border fluidities and agendas of research The book will quickly be recognized as a benchmark in the field It will provide a basis for reckoning its origins and pathways of development as well as an authoritative account of the central debates and research issues of today Introduction to Sociolinguistics Aleksandr D. Ĭvejcer, L.B. Nikol'skij, 1986-01-01 Translation from the original Russian edition The first Soviet text book on sociolinguistics the book introduces the reader to some of its basic problems such as language and social

structure language as a social factor language and nation language and culture language and the sociology of an individual sociolinguistics and Marxist sociology It focuses on such theoretical issues as the subject matter of sociolinguistics the functioning of sociocommunicative systems language policy and social aspects of verbal behavior Language and Language Behavior Abstracts ,1982 *Sociolinguistic Patterns* William Labov,1973-09 This classic volume by a well known linguist constitutes a systematic introduction to sociolinguistics unmatched in the clarity and forcefulness of its approach and to the study of language in its social setting **Sociological Abstracts** Leo P.
