## **The Nightmare Collector:**

**The Nightmare Collection** Eva Pohler, 2017-08-22 This is a collection of stand alone dark thriller romances with a common theme narrators draw their listeners in to their haunting tales and these stories have a shocking life changing connection to the listeners The story The Mystery Box that gives this set its name is worth the price and much more all by itself It s very hard to classify Sometimes it s a mystery sometimes predictable It s both a horror story and a love story It will leave you outraged sometimes crying at others It will set your nerves on edge and tug hard at your heartstrings Reading it is like being on a very strange rollercoaster It will run your emotions from one end to another In several places it s hard to read without shuddering shivering cheering rejoicing and crying The characters are so well written the plot so intricate and yet so simple that it involves you fully in the story without being aware of it You start in a simple life with a bored housewife By the end if you aren t crying or at least have tears in your eyes you are a stronger person than I It s one of the best stories I ve read in my 74 years on this earth Allyn Goodreads Reviewer I would have loved to have three separate books instead of a box set Each one is a gem by itself three absolutely different themes each with special ethos Imagine what will happen if you can travel faster than light How about becoming an archaeologist Each plot has been well conceived properly laid out in a free flowing manner It is difficult make a choice between the three divergent books Only choice is to vote them all in venky Goodreads Reviewer I just finished The Mystery Box Set and all I have to say is be ready for three amazing stories that will keep you reading well into the early morning hours Many nights I had to set down my Kindle to get some sort of sleep Rachel R I have only read The Mystery Box and Mystery Man but although the Box is very very good the Man is excellent I did not want it to end Fabulous writing Kudos to Eva Pohler who has not disappointed thus far Amy C After reading this box set I am now a new fan of Eva Pohler Three totally different mysteries that grabbed me from the first page and had me reading until I was finished Each one as good as the others I can t wait to read more of her books Jennie Ersari I loved this box set All 3 books were absolutely gripping The story lines were totally different but each so very good So thought provoking with surprise twist and turns I read all 3 books in just a few days as I couldn t put the kindle down Goodreads Reviewer Grab your copy to begin these chilling adventures today Related Authors Julie Clark M M Chouinard Luanne Rice Kaira Rouda Jean Hanff Korelitz Catherine Steadman K L Slater Tracy Buchanan Karen McQuestion A J Rivers Jeneva Rose Lucinda Berry Claire McGowan Lesley Kagen Kristin Hannah Patricia MacDonald Daniel Hurst Gillian Flynn Gregg Olsen and Rachel Abbott Search Terms psychological thrillers horror books romantic suspense suspense romance psychological horror action adventure dark romance dark thriller romance thriller and captive thriller **The Nightmare Collector** Bruce Boston, 1988
