**The Normal Christian Church Life** Watchman Nee, 1993-05-01 The Normal Christian Church Life is a record of messages given during conferences held in Shanghai and Hankow. Watchman Nee spoke to his fellow workers on the principles in the New Testament concerning the practical arrangement of the churches, the ministry and the work. In his speaking, he honestly examined his own work before the Lord in the light of these principles, provided adjustment and encouragement to his co-workers, and confirmed through personal testimony that the practice of the normal Christian church life revealed in the New Testament can be recovered.
