**2101 07173 the broadcast approach in communication networks** - Jun 05 2022

jan 18 2021 the broadcast approach in communication networks ali tajer avi steiner shlomo shamai shitz this paper reviews the theoretical and practical principles of the broadcast approach to communication over state dependent channels and networks in which the transmitters have access to only the probabilistic description of the time varying states

opportunistic spectrum sharing in cognitive radio networks - Dec 11 2022

this springer brief investigates spectrum sharing with limited channel feedback in various cognitive radio systems such as point to point broadcast scheduling and ad hoc networks the design aim is to optimally allocate the secondary resources to improve the throughput of secondary users while maintaining a certain quality of service for
