Throughout the centuries Christians have sought to understand better the nature of the earliest features of the gospel message for in that understanding lies the opportunity to make relevant the gospel's power to effect change in other words to put new wine into fresh wineskins
Veteran New Testament scholar Richard Longenecker explains how early Christians contextualized the gospel message for their hearers just as Christians do today
Specifically *New Wine into Fresh Wineskins* focuses on the relationships among the early Christian confessions in the letters of Paul and the Gospels and looks at how the New Testament writers contextualized these confessions for their own hearers
The volume also reflects on how Christian confessions are adapted for later cultures and contexts
For example the same gospel message both tells of the past and promises a future it both encourages and admonishes and it both reveals and conceals the mysteries of God
With careful analysis and appreciation for how early Christians understood Jesus in a variety of situations Longenecker challenges readers

with the always relevant truth of the gospel **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Sally Stuart's Inspirational Writers' Topical Market Guide** Sally E.
