The New York Times Report From Red China:

The New York Times Book Review ,1992 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **The New York Times Book Review Index, 1896-1970: Subject index** ,1973 **Revolution, Counterrevolution and Assassination After World War II** Robert C. Cottrell,2024-12-05 In response to the upheavals engendered by World War II revolutions broke out or loomed throughout the world Nationalist aspirations proved global in nature ironically empowered by the Cold War In Asia the Middle East Latin America and Africa revolutions and counterrevolutions proliferated and similar disruptions threatened to unfold in Europe and North America Social upheavals began to occur in Vietnam Mandatory Palestine China Algeria Ghana and Cuba Conservative and reactionary forces frequently pushed back quashing hopeful developments like the Guatemalan Spring the Hungarian Revolution and the Prague Spring while also readily resorting to the murder of leading progressive figures from Gandhi to Navalny The second volume of this detailed history explores the rippling effects of World War II across the globe including countries experiencing colonial or neocolonial relationships This book examines the interplay between modern revolutionary movements and campaigns seeking to prevent such movements or to reestablish a history and time that never really existed It also traces the deadly resort to politically motivated killings which cut short the lives of so many distinguished sometimes beloved figures whose loss is still felt decades later *Congressional Record Index* ,1962 Includes history of bills and resolutions The New York Times Magazine ,1972 **Congressional Record** United States. Congress,1962 **Exploiting Africa** Donovan Chau,2014-04-15 Exploiting Africa examines China s role in Algeria Ghana and Tanzania from the 1950s to the 1970s The Chinese arrived in Africa with little fanfare yet they achieved an active presence that was more pragmatic than revolutionary Though often couched in ideological rhetoric Chinese goals in Africa were those of an aspiring world power China skillfully used its limited diplomatic intelligence and economic means to shape events and to exploit its relationships to gain lasting influence on the continent It is crucial to understand the nature and character of China s historical actions in Africa in order to properly grasp the nation s current and future policies Rather than merely looking forward one must look backward to comprehend the true nature of China in Africa **The New York Times Book Review Index, 1896-1970: Title index** ,1973 New York Times Saturday Book Review Supplement ,1962-03 The New York Times Index ,1986 *Esquire* ,1939 *Current Scene* ,1962 *Communist China's Policy Toward Laos* Chae-Jin Lee,1970 *U.
