

The Next Passage
K. A. Applegate

The Next Passage Alternamorphs 2

Victor M. Corman

The Next Passage Alternamorphs 2:

The Next Passage K.A. Applegate, 2018-03-27 In this middle grade choose your own adventure story the reader decides what choices to make when an alien threatens to kill their character's father. It's time for our next mission and it's up to you to decide whether you want to join us. You probably already realize that each mission each battle could mean alien infestation or worse. You probably already realize that we win about as many as we lose. But we are managing to hold the Yeerks back and one more person could make all the difference. Just so you know there are going to be a lot of decisions to make. The right answers keep us alive. The wrong ones well that's pretty obvious. So what do you think? Are you ready to become a weapon against the alien invasion? Are you ready to morph to change from an ordinary kid into an animal, a bird, or insect, all in the name of saving the world? Are you ready to be an Animorph?

In the Time of Dinosaurs (Animorphs Megamorphs #2)

K. A. Applegate, 2018-03-27 We could blame everything that happened on Marco. He was the one who heard about the downed submarine. He was the one who thought we should check it out. And everyone knows that if Marco's up to a challenge I'm definitely there. Everything was going fine. Until the explosion. An explosion that blew us millions of years back in time to the age of dinosaurs. Now Tobias, Cassie, Marco, Ax, Jake, and I are fighting for our lives with every step we take. But that's not our biggest problem. Our biggest problem is we have no idea how to get back to our own time. [Back to Before \(Animorphs Megamorphs #4\)](#)

K. A. Applegate, 2018-03-27 What would you do if you had the opportunity to change your life? Not just where you live or who you hang out with, but your past, present, and future? Sounds like it might be pretty cool, right? Well, that's what Jake thought. He thought it might be easier if the Animorphs had never existed. If they'd never met Elfangor. If they all had the chance to be normal kids. Jake gets his wish. But things aren't quite as simple as they seem. Just because the Animorphs no longer exist doesn't mean the Yeerks no longer exist. Except now Jake, Rachel, Tobias, Cassie, and Marco can't morph. They don't even know the Yeerks are out there. And it's not such a wonderful life. [The Andalite Chronicles \(Animorphs\)](#)

K. A. Applegate, 2018-03-27 Elfangor, Sirinial Shamtul, is an Andalite war prince, the one who gave the Animorphs the power to morph. The Andalite Chronicles is the story of how this warrior cadet ended up on planet Earth. Ages 9-12. Pub 12-97.

Visser (Animorphs) K. A. Applegate, 2018-03-27 Her human name is Eva. There was a time when she had a loving husband and a son, Marco. When she had a wonderful career. But that was before she was infested by Edriss 562. Before the invasion of Earth. Now Edriss 562 lives in Eva's head and controls her every movement. And through Eva, Edriss has become the highest ranking general in the Yeerk empire, surpassing even her arch rival, Visser Three. She is Visser One. But it has become known that Visser One's tactics for attaining her current position were less than acceptable, even to the Yeerks. Now she's on trial for treason. If she's found innocent, she'll continue to rule. But if she's found guilty, she'll lose her life and possibly the life of her host, Eva. Which will mean that Marco will never ever see his mother again. *The Ellimist Chronicles (Animorphs)*

K. A. Applegate, 2018-03-27 He is called the Ellimist. A being with the ability to alter space and time. A being with

a power that will never be fully understood He is the reason Elfangor came to Earth He is the reason the Earth now has a fighting chance And though his actions never seem quite right or wrong you can be certain they are never ever what anyone expects This is the beginning and the middle of the story A story that needs to be told in order to understand what might happen to the future The future of the Animorphs The future of humanity The future of Earth He is called the Ellimist And this is his story The Hork-Bajir Chronicles (Animorphs) K. A. Applegate,2018-03-27 Dak Hamee is a unique Hork Bajir His people call him a seer He learns more quickly and completely than the rest of his docile race Hork Bajir like him are born once a generation Aldrea is a young Andalite Daughter of the notorious Prince Seerow It is only after she and her family are sent to the Hork Bajir home world that she begins to fight the Yeerks and with Dak s help ultimately discovers their hideous plan Esplin 9466 is the Yeerk that will become the feared Visser Three He has set out to defeat the Hork Bajir and begin the building of the Yeerk Empire This story chronicles the fierce Hork Bajir wars in a time before the Animorphs *The Andalite's Gift (Animorphs Megamorphs #1)* K. A. Applegate,2018-03-27 We never should have done it But we needed a break Some time off from the superhero stuff A chance to act like normal kids Well as normal as four kids who can morph into animals a boy trapped in a hawk s body and a bright blue alien can be Everything should have been cool Now Rachel is missing And there s this this thing that s after us But it s not up to me to tell the whole story Tobias Cassie Marco and Ax were there too Even Rachel has some info to add So go ahead and check this out And remember not to tell anyone what we re about to tell you It could mean the difference between life and death Or worse Elfangor's Secret (Animorphs Megamorphs #3) K. A. Applegate,2018-03-27 We found out who Visser Four is And he has found the Time Matrix the machine Elfangor had hidden in the abandoned construction site The same place we met him on a night none of us will ever forget Especially me Now Visser Four has the Matrix and he plans to use it to become Visser One But Jake Rachel Cassie Marco Ax and I can t let that happen We can t let him alter time so that the Yeerks will win the invasion So we re prepared to make the ultimate sacrifice Eventually one of us will lose this fight **Forthcoming Books** Rose Arny,2000-06 *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas,Catherine Barr,2009 Indexes popular fiction series for K 6 readers with groupings based on thematic setting or consistent characters Annotated entries are arranged alphabetically by series name and include author publisher date grade level genre and a list of individual titles in the series Volume is indexed by author title and subject genre and includes appendixes suggesting books for boys girls and reluctant ESL readers Popular Series Fiction for Middle School and Teen Readers Rebecca L. Thomas,Catherine Barr,2005 A guide to more than eight hundred fiction series including graphic novels and manga *Children's Books in Print, 2007, 2006* **The Next Passage** Katherine Applegate,2000 In a choose your own adventure story the reader must decide what to do when an alien demands a mysterious blue box in return for not killing the reader s character s father **Reptiles** ,1997

The Next Passage Alternamorphs 2 Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **The Next Passage Alternamorphs 2**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book is key themes, examine its writing style, and analyze its overall impact on readers.
