'Twas the Night Before Christmas Coloring Book Clement Clarke Moore,1975 *The Night Before Christmas Coloring Book* John O'Brien,1981 *'Twas the Night Before Christmas Coloring Book and Countdown* ,2017-06 *Twas the Night Before Christmas* Dustin Carlton,Clement Moore,2018-12-24 Here s the Christmas classic which helped to establish many of our wonderful holiday traditions Now you can make the story even more special by coloring the pages of this edition with your loved ones Introduction from the 1912 edition Amid the many celebrations last Christmas Eve in various places by different persons there was one in New York City not like any other anywhere A company of men women and children went together just after the evening service in their church and standing around the tomb of the author of A Visit from St Nicholas recited together the words of the poem which we all know so well and love so dearly Dr Clement C Moore who wrote the poem never expected that he would be remembered by it If he expected to be famous at all as a writer he thought it would be because of the Hebrew Dictionary that he wrote He was born in a house near Chelsea Square New York City in 1781 and he lived there all his life It was a great big house with fireplaces in it just the house to be living in on Christmas Eve Dr Moore had children He liked writing poetry for them even more than he liked writing a Hebrew Dictionary He wrote a whole book of poems for them One year he wrote this poem which we usually call Twas the Night before Christmas to give to his children for a Christmas present They read it just after they had hung up their stockings before one of the big fireplaces in their house Afterward they learned it and sometimes recited it just as other children learn it and recite it now It was printed in a

newspaper Then a magazine printed it and after a time it was printed in the school readers Later it was printed by itself with pictures Then it was translated into German French and many other languages It was even made into Braille which is the raised printing that blind children read with their fingers But never has it been given to us in so attractive a form as in this book It has happened that almost all the children in the world know this poem Every Christmas Eve the young men studying to be ministers at the General Theological Seminary New York City put a holly wreath around Dr Moore s picture which is on the wall of their dining room Why Because he gave the ground on which the General Theological Seminary stands Because he wrote a Hebrew Dictionary No They do it because he was the author of A Visit from St Nicholas Most of the children probably know the words of the poem They are old But the pictures that Miss Jessie Willcox Smith has painted for this edition of it are new All the children probably have seen other pictures painted by Miss Smith showing children at other seasons of the year How much they will enjoy looking at these pictures showing children on that night that all children like best Christmas Eve
