The Night Child:

The Night Child Anna Quinn, 2018-01-30 Exquisitely nuanced and profoundly intimate *The Night Child* is a story of resilience hope and the capacity of the mind body and spirit to save itself despite all odds Nora Brown teaches high school English and lives a quiet life in Seattle with her husband and six year old daughter But one November day moments after dismissing her class a girl's face appears above the students desks a wild numinous face with startling blue eyes a face floating on top of shapeless drapes of purples and blues where arms and legs should have been Terror rushes through Nora's body the kind of raw terror you feel when there's no way out when every cell in your body your entire body is on fire when you think you might die Twenty four hours later while on Thanksgiving vacation the face appears again Shaken and unsteady Nora meets with neurologists and eventually a psychiatrist As the story progresses a terrible secret is discovered a secret that pushes Nora toward an even deeper psychological breakdown This breathtaking debut novel examines the impact of traumatic childhood experiences and the fragile line between past and present

Nightchild, *The Firefox of Anyëa - Book One of The Soulfire Saga of Tabitha Moon* Essenne Fleet, 2012-01-01 It seemed like such a small difference So harmless Tabitha Moon possesses an astonishing though inhuman feature that sets her far apart from everyone else Yet whilst truly remarkable to look upon she feels that her appearance is also the wellspring of her loneliness a burden that only ever seems to attract stares cruel words intimidation and even harm So Tabitha hides and dreams of release from her torment completely unaware that she has an ancient ancestry founded far from the unhappy place she grudgingly calls home Nor is she aware that the mysterious lineage is not only responsible for how she looks but also for an incredibly powerful gift she has unknowingly inherited from them Then one night without warning everything changes Ignited by a particularly violent and cowardly attack upon her Tabitha's latent arcane power erupts into life from deep within and with it a bizarre yet wondrous entity also awakens
