**The Night Child** Anna Quinn, 2018-01-30 Exquisitely nuanced and profoundly intimate The Night Child is a story of resilience hope and the capacity of the mind body and spirit to save itself despite all odds Nora Brown teaches high school English and lives a quiet life in Seattle with her husband and six year old daughter But one November day moments after dismissing her class a girl's face appears above the students desks a wild numinous face with startling blue eyes a face floating on top of shapeless drapes of purples and blues where arms and legs should have been Terror rushes through Nora's body the kind of raw terror you feel when there's no way out when every cell in your body your entire body is on fire when you think you might die Twenty four hours later while on Thanksgiving vacation the face appears again Shaken and unsteady Nora meets with neurologists and eventually a psychiatrist As the story progresses a terrible secret is discovered a secret that pushes Nora toward an even deeper psychological breakdown This breathtaking debut novel examines the impact of traumatic childhood experiences and the fragile line between past and present The Night is a Child Richard Llewellyn, 1974

**Night's Children** Mary M. Cushnie-Mansour, 2012-04 Virginia has escaped her year long imprisonment with her son Santan She hopes to raise him to be a good moral man Santan however is sensitive to sunlight and he has trouble with solid food He is the half human half vampire child of Virginia and her former captor Count Basarab Musat king of the vampires and Virginia knows that one day the boy's father will come for him For the time being the count is busy in his home country of Transylvania There is the potential for a family disaster and he is the only one strong enough to pick up the pieces Even in the midst of the drama he feels he may be losing his passion for the kill He hunts the streets searching for blood to rekindle his lust for the living In the back of his mind he considers Virginia and his son but he cannot return to them yet Far away Virginia has her own troubles Her last night with the count left a gift she is pregnant with another of his offspring She is haunted by dreams of Basarab At first they are infused with light and love and she believes she may be able to rekindle her relationship with the count But soon the dreams turn dark and her fear returns Virginia is being hunted and the count may be the only monster strong enough to keep her safe
