**The Shadow of The Phoenix** J.B. Vosler,2022-03-23 Riveting Byron Rupert McCafferty Seattle Book Journal I m already looking forward to the next white knuckle entry in this 12 book thriller series George Harley Davidson Zoo in a Book This is a contemporary psychological thriller about dark obsessions and the fathers who pass them to their sons Rife with international glamour romance and intrigue the story captures four patriarchal families in a generational conflict where the pursuit of global power at any price makes them the unwitting pawns of a hidden psychotic mastermind Here is a contest to the death between two men both driven by obsessive love one for a woman one for power One man is scarred by fire one by insanity From the banks of the Potomac River to the cliffs above the Baltic Sea these men fight each other with such ferocity that one endangers the woman he adores and the other betrays the country he has sworn to protect Mirroring the tragedy of the murdered the reader will struggle to discern the fine line between victim and predator Shadow of the Phoenix is the first book in a series of twelve edge of the seat novels called The Sons Of Jacob

**We Are As Gods** Kate Daloz,2016-04-26 At the dawn of the 1970s waves of hopeful idealists abandoned the city and headed for the country convinced that a better life awaited They were full of dreams mostly lacking in practical skills and soon utterly out of money But they knew paradise when they saw it When Loraine Craig Pancake Hershe and a dozen of their friends came into possession of 116 acres in Vermont they had big plans to grow their own food build their own shelter and create an enlightened community They had little idea that at the same moment all over the country a million other young people were making the same move back to the land We Are As Gods follows the Myrtle Hill commune as its members enjoy a euphoric Free Love summer Nearby a fledgling organic farm sets to work with horses and a couple the author s parents attempts to build a geodesic dome Yet Myrtle Hill s summer ends in panic as they rush to build shelter while they struggle to reconcile their ideals with the somber realities of physical hardship and shifting priorities especially when one member goes dangerously rogue Kate Daloz has written a meticulously researched testament to the dreams of a generation disillusioned by their parents lifestyles scarred by the Vietnam War and yearning for rural peace Shaping everything from our eating habits to the Internet the 1970s Back to the Land movement is one of the most influential yet least understood periods in recent history We Are As Gods sheds light on one generation s determination to change their own lives and in the process to change the world
