## **The Nightman:**

The Great Nightmen Conspiracy Tyge Krogh, 2019-08-20 The Great Nightmen Conspiracy explores the little known magico religious history of eighteenth century Denmark Essential tasks carried out by the nightmen such as dealing with carcasses and assisting with executions generated contempt from the rest of society but also led to the nightmen becoming deeply feared because of the dark and magical forces associated with their occupation The discovery of a dead peasant at the edge of the fjord on 4 December 1734 led to the arrest of the nightmen Mikkel and Hans in the nearby market town of Kalundborg in Zealand In court their interrogation focused not on the suspected murder but on thefts of livestock immorality and other provocations committed by these socially ostracised nightmen The court case became the largest of its time implicating nightmen across half of Zealand and exposing divisions within society This book uses a minutely researched set of incidents centring on the Danish pariah caste of nightmen to bring to light this unknown magico religious side of Denmark Through microhistorical methodology The Great Nightmen Conspiracy presents a detailed insight into the lives of the nightmen in Kalundborg and the society that constructed their alienation It is ideal for academics and postgraduate students of microhistory and urban history

**Semmelweis** Jens Bjørneboe, 1998 Translated from the Norwegian and with an introduction by Joe Martin Novelist and essayist Jens Bjorneboe turned to playwriting during the 1960 s as a genre in which he might stage his literary assault on hierarchical society with an aggressive extroverted form of theater from the Introduction This play had its world premiere in Oslo in 1969 and recounts the tragic history of Dr Ignaz Semmelweis the founder of modern antiseptic techniques whose biography illustrates the pitfalls and even horrors of the man or woman of science who is naively in search of truth and improvement in the human condition in a society who is naively in search of truth and improvement in the human condition in a society that reveres prestige and power and its own received belief systems to the exclusion of any new truths from the Introduction Brechtian in style and somewhat anarchic in its politics Semmelweis provides a biting critique of obtuse authority

**Bats of the Republic** Zachary Thomas Dodson, 2015-10-06 Archetypes of the cowboy story tropes drawn from sci fi love letters diaries confessions all abound in this relentlessly engaging tale Dodson has quite brilliantly exposed the gears and cogs whirring in the novelist s imagination It is a mad and beautiful thing Keith Donohue The Washington Post Winner of Best of Region for the Southwest in PRINT s 2016 Regional Design Awards Bats of the Republic is an illuminated novel of adventure featuring hand drawn maps and natural history illustrations subversive pamphlets and science fictional diagrams and even a nineteenth century novel within a novel an intrigue wrapped in innovative design In 1843 fragile naturalist Zadock Thomas must leave his beloved in Chicago to deliver a secret letter to an infamous general on the front lines of the war over Texas The fate of the volatile republic along with Zadock s future depends on his mission When a cloud of bats leads him off the trail he happens upon something impossible Three hundred years later the world has collapsed and the remnants of humanity cling to a strange society of paranoia Zeke

Thomas has inherited a sealed envelope from his grandfather an esteemed senator When that letter goes missing Zeke engages a fomenting rebellion that could free him if it doesn't destroy his relationship his family legacy and the entire republic first As their stories overlap and history itself begins to unravel a war in time erupts between a lost civilization a forgotten future and the chaos of the wild Bats of the Republic is a masterful novel of adventure and science fiction of elliptical history and dystopian struggle and at its riveting core of love     **Tripletrap** William H.
