The Northumbrian The Dialect Poetry Of Fred Reed:

The Northumbrian Fred Reed, 1999 No Dialect Please, You're a Poet Claire H  lie, Elise Brault-Dreux, Emilie Loriaux, 2019-07-23 No Dialect Please You're a Poet is situated at the crossroads in research areas of literature and linguistics This collection of essays brings to the forefront the many ways in which dialect is present in poetry and how it is realized in both written texts and oral performances In examining works from a wide range of poets and poetries from acclaimed poets to emerging ones this book offers a comprehensive introduction to poetics of dialects from a variety of regions across two centuries of English poetry *Class and the Uses of Poetry* Andrew Smith, 2024-08-17 This book provides new empirical evidence about the ways in which social inequalities especially those of class shape and delimit forms of cultural reception and creative opportunity How does it come about that in George Orwell's words the divorce between poetry and popular culture is accepted as a sort of law of nature Drawing on qualitative research conducted in and around Glasgow *Poetry Class and Symbolic Violence* explores how working class readers engaged with made sense of and contested a sense of exclusion from contemporary poetry In doing so it sheds light on the symbolic enclosure of poetry on how that enclosure takes shape in the encounter between readers and poems but also on why poetry continues to matter Through these conversations and in further interviews with unpublished poets it reflects on the creative and expressive affordances of poetry on what can be done with poetry and what it can make possible Sociologists have had little to say about poetry as a distinctive esthetic practice *Poetry Class and Symbolic Violence* tries to break that silence and to make a start on constructing a critical sociology of poetry for today **A Catch of Consequence** Diana Norman, 2003-07-01 A captivating historical novel from the national bestselling author as Ariana Franklin of *Mistress of the Art of Death* Makepeace Burke serves Patriots at her late father's tavern on the Boston waterfront in 1765 and hates the redcoats with a vengeance But even she can't watch an angry mob drown an Englishman She rescues him and nurses him back to health and falls in love In *Patriot Boston* hers is an unforgivable sin made worse by the fact that her Englishman turns out to be the aristocratic Sir Philip Dapifer Philip must smuggle Makepeace aboard a ship bound for London and save her life at the expense of the world she knows Rich in period detail bringing the years of colonial rebellion to vivid life *A Catch of Consequence* is a stylish novel of Boston and England and of a woman who defies convention in both worlds **Northumbrian Miscellany** Fred Reed, 1978
