Keats's Places Richard Marggraf Turley, 2018-09-03 As the essays in this volume reveal Keats s places could be comforting familiar grounding sites but they were also shifting uncanny paradoxical spaces where the geographical comes into tension with the familial the touristic with the medical the metropolitan with the archipelagic Collectively the chapters in Keats s Places range from the claustrophobic stands of Guy s Hospital operating theatre to the boneshaking interior of the Southampton mail coach from Highland crags to Hampstead Heath from crowded city interiors to leafy suburban lanes Offering new insights into the complex registrations of place and the poetic imagination the contributors to this book explore how the significant places in John Keats s life helped to shape an authorial identity **Genetic Criticism in Motion** Sakari Katajamäki, Veijo Pulkkinen, 2023-12-22 Genetic criticism investigates creative processes by analysing manuscripts and other archival sources It sheds light on authors working practices and the ways works are developed on the writer s desk or in the artist s studio This book provides a cross section of current international trends in genetic criticism half a century after the birth of the discipline in Paris The last two decades have witnessed an expansion of the field of study with new kinds of research objects and new forms of archival material along with various kinds of interdisciplinary intersections and new theoretical perspectives The essays in this volume represent various European literary and scholarly traditions discussing creative processes from Polish poetry to French children s literature as well as topical issues such as born digital literature and the application of forensic methodology to manuscript studies The book is intended for scholars and students of literary

criticism and textual scholarship together with anyone interested in the working practices of writers illustrators and editors

The Odes of Keats and Their Earliest Known Manuscripts in Facsimile John Keats, Robert Gittings, 1970 *A Handbook of Critical Approaches to Literature* Wilfred L. Guerin, 1992 The third edition of this highly successful survey of critical responses to literature covers the significant critical and theoretical developments of the past decade while retaining the essential clarity of definition and accessibility that distinguished the earlier editions Offering a new chapter on feminist approaches to literature and shorter sections on the new historicism narratology and dialogics and hermeneutics the new edition also features a substantial new section on structuralism post structuralism and deconstruction and a unique section on reader response The editors have also substantially revised and updated all bibliographical references both within individual chapters and in the list of supplementary readings
