Charles Olson's Reading Ralph Maud,1996 In this narrative account of the life and work of Charles Olson Ralph Maud focuses on what the poet read as a basis for understanding the work he produced To an extraordinary degree Olson s reading and life were coextensive according to Maud who notes that Olson saw his written output over his lifetime as a total cosmology An individual who rarely traveled this major American poet explored the world and its history as well as the furthest reaches of the thought of his day through books Maud builds upon George Butterick s annotated listing of Olson s library bought by the University of Connecticut after the poet s death in 1970 The present volume however adds categories of books Butterick deliberately omitted Olson s childhood books and poetry by his own contemporaries Linking Olson s books to his intellectual and poetic development at each stage of his career Maud reveals such little known but important connections as the contracted book project Operation Red White and Black and Olson s plan for the long poem West two unrealized projects much later shaped into The Maximus Poems Maud also outlines the surprisingly multiple role of the painter Corrado Cagli who brought home to Olson the significance of the Holocaust and introduced him both to the Tarot and to the theories of non Euclidean geometry that Olson variously incorporated into his poems and essays In discussing Olson s relationship to Ezra Pound Maud defines in some detail what Olson gained from Pound and what he repudiated Maud refutes the notion that Olson s intellectual and creative powers declined during the last years of his life demonstrating that during these years Olson developed his Jungian interest his attention to early Greek thought and a new concern for Northern mythology This chronicle of Olson s reading from childhood to deathbed constitutes a critical biography of the larger than life author of *Call Me Ishmael* and *The Maximus Poems* No modern poet is more revealed in his sources than Olson Maud s comprehensive and complete study provides a basis for new and fresh modes of thinking about Olson s great achievement

The Independent ,1900 *The American Mathematical Monthly* ,1894 **Business Journal** ,1898 **School** ,1900 **First President**

Heather Hughes,2011 A full biography of the founding president of the African National Council ANC this account uncovers the inspirations for John L Dube s many public achievements Tracing the history of his forbearers in the Zulu kingdom this volume chronicles the politician s life from his birth in 1871 and highlights his many achievements including the founding of the Ohlange School the key role he played in the Bhambatha Rebellion and the authorship of the first Zulu novel As it evaluates Dube s five year presidency of the ANC this book shows that in spite of the many conflicts and ambiguities in his

position Dube's central political belief that Africans should be directly represented in the parliament of the land remained remarkably constant throughout his long career
