

PRIDE AND PREJUDICE.

CHAPTER I.

[It is a truth universally acknowledged that a single man in possession of a good fortune must be in want of a wife.]

However little known the feelings or views of such a man may be on his first entering a neighbourhood, this is so well fixed in the minds of the surrounding families, that he is considered as the settled property of one or other of their daughters.

Mr. Bennet was one of those gentlemen who had heard that Northamptonshire was the best place for a fortune, and he had accordingly settled in that county.

He had one daughter, and she was the only one who was not a fortune-hunter.

He had no other children, and he was the only one who was not a fortune-hunter.

The Novel What It Is

DJ Losen

The Novel What It Is:

The Novel: what it is Francis Marion Crawford, 1970 The Novel F. Marion Crawford, 2017-05-03 What is a novel The question is asked and answered by Mr Marion Crawford in a kind of pocket companion for novel readers entitled *The Novel What it is* Some say the novel is a work of art though that is what it should be rather than what it is And some may still murmur inquiringly after reading Mr Crawford s interesting observations The novel what is it Mr Crawford s views about the craft in which he is a present master appear to us sound and convincing even if they meet not all the difficulties that beset those who require definitions that embrace all the kinds of fiction The novel he remarks is a marketable commodity That is its natural order It belongs to the family of luxuries and is of the class artistic luxuries Probably few will deny these propositions The novel must amuse and instruct us and it is no bad thing if it makes the reader think or think of thinking As to the sterile controversy of romance and realism Mr Crawford sensibly observes that the novel may and should combine those qualities It may even be historical But it must not be a purpose novel that very odious thing The novel Mr Crawford thinks may educate may elevate may purify but it must not preach Here be excellent conclusions Excellent also is Mr Crawford s protest against the absurd requirement of certain scientific critics that the novelist should be possessed of encyclopedic knowledge Let him have experience observation literary skill and above all knowledge of the heart and power to strike at the heart The greater men are the more heart they have There is heart in all great novels and this is the reason they are the favorite reading of great men Purpose and theory be they never so exalted kill but it is heart that makes the novel to live Such it seems is what Mr Crawford would inculcate though his horror of the purpose novel or of the least semblance of pointing a moral makes us hesitate to put the matter so plainly *The Saturday Review of Politics Literature Science and Art* Vol 75 **The Novel** F. Marion Crawford, 2015-06-02 Excerpt from *The Novel What It Is* My answer can only be a statement of opinion which I make with much deference to the prejudices of my brethren Whether it will be of interest to general readers I do not know but the question I propose is in itself more or less vital as regards novel writing No one will deny that truism Before going to work it is important to know what one means to do I pretend however to no special gift for solving problems in general or this one in particular About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Novel Francis Marion Crawford, 1896 **The Novel; what it is** F. Marion Crawford, 2021-05-19 In *The Novel What It Is* F Marion Crawford presents a profound exploration of the nature and essence of the novel as a literary form In this incisive treatise Crawford meticulously examines the structures styles and functions of

novels addressing their evolution in the context of 19th century literature His engaging prose reflects a keen understanding of narrative techniques and the psychological underpinnings of storytelling making it both a critical analysis and a philosophical inquiry into what constitutes the novel As a literary figure at a time of great innovation Crawford invites readers to consider the complexities of the form and its impact on society ultimately offering a framework through which to appreciate the depth of narrative art Crawford an accomplished novelist and playwright stood at the confluence of American and European literary traditions which significantly influenced his perspectives on fiction His experiences as an expatriate in Italy and his fascination with cultural narratives enriched his understanding of both character development and thematic intricacies This background not only informed his writing but also fueled his passion for analyzing literary formats leading to the production of this critical work Readers who seek a deeper comprehension of the novel s role in literature will find Crawford s insights invaluable This book is essential for scholars aspiring writers and avid readers alike as it encourages a broader contemplation of narrative capability and the transformative power of storytelling across cultures and epochs In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

The Novel What It Is Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Novel What It Is has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Novel What It Is has opened up a world of possibilities. Downloading The Novel What It Is provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Novel What It Is has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Novel What It Is. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Novel What It Is. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Novel What It Is, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Novel What It Is has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Novel What It Is Books

1. Where can I buy The Novel What It Is books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Novel What It Is book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Novel What It Is books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Novel What It Is audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
