The Oau And The Un:

The Organization of African Unity , The political and spiritual affinity felt by black peoples may date back centuries but it was first formalized in Africa by a series of conferences at the beginning of the twentieth century In the postwar struggle for independence Africanness became a potent force Later in the early 1960s the flood of newly independent African states adopted a Pan African ideal in their common struggle against the remaining colonial and white dominated territories on the continent The launch of the Organization of African Unity OAU in 1963 was an impressive achievement by any standards and many commentators cited in this bibliography recognize this adding that the OAU s survival for thirty years is even more astonishing Overall however assessments of the OAU s activities have not been positive Lack of unanimity among member states has weakened the OAU s ability to deal with disputes While critical of OAU s ineffectiveness most writers marvel at the organization s resilience over three decades While Central and Eastern Europe fragment Africa is still represented by one organization with annual meetings continuing to be held and attended by foreign ministers prime ministers and presidents Chapters in this original and comprehensive bibliography include Literature on the OAU General Assessments The OAU in African Politics and The OAU in World Politics There are also extensive indexes of authors titles and subjects regarding the OAU Organization of African Unity is a critical resource for political scientists historians and Africa area specialists seeking to understand a changing continent **The OAU and the UN** Berhanykun Andemicael,1976 Regionalism and the United Nations B. internazionale, 1993 **The United Nations and the Maintenance of International Security** James S. Sutterlin, 1995 Sutterlin gives an insider s assessment of how the United Nations can meet the new challenges of the post Cold War era Preventive diplomacy peacekeeping peace enforcement and peace building are all examined along with other means of maintaining peace This is the first authoritative book on the security role of the UN to take account of the experiences in Bosnia and Somalia and to discuss the use of military force by the UN to control internal conflict This book examines the principal security functions of the United Nations in the changed conditions of the post Cold War era The main purpose of the UN under its Charter is the maintenance of international peace and security Sutterlin begins with the premise that it is necessary to understand the meaning of international security in much broader terms now than was the case when the UN was founded If conflict is to be prevented or resolved at present and most likely in the future this means dealing with tensions within states more than between states The UN has had to break new ground as it has intervened in Cambodia Bosnia and Somalia Sutterlin describes the background of the innovations that history has imposed on the UN and he analyzes such specific approaches as peacekeeping and peace building In addition based on his extensive experience within the UN Sutterlin makes numerous suggestions as to how the potential of the UN can be more fully realized This volume will be of great value to scholars and others concerned with the changing role of the UN and international security issues of the

late 20th century **A United Nations for the 21st Century: from Reaction to Prevention** Detlev Wolter, 2007 This book analyzes the achievements of the UN World Summit of September 2005 in the field of conflict prevention human security and the advancement of the security development nexus The book examines the Summit Outcome Document which contains important general endorsements of the objective to strengthen conflict prevention capacities at the UN and fully supports the mission of the Special Advisor of the Secretary General on the Prevention of Genocide This document commits all Member States for the first time to develop a notion of human security that recognizes that all individuals in particular vulnerable people are entitled to freedom from fear and freedom from want It embraces the concept of a responsibility to protect against genocide ethnic cleansing and crimes against humanity The book looks at how the newly established Peacebuilding Commission can play an important overall preventive role in particular by ensuring that post conflict countries do not relapse into armed conflict It suggests the upcoming Comprehensive Report on Conflict Prevention by the UN Secretary General and a new General Assembly Resolution should operationalize and implement the shift from reaction to prevention The United Nations for the 21st Century supports the call for a special summit meeting in 2010 on conflict prevention and human security with the objective to adopt a Global Action Plan on Conflict Prevention and Human Security which should specify concrete agreements for allocating the resources necessary to bring peace planning conflict prevention and peacebuilding strategies to fruition **The Changing Constitution of the United Nations** Georges Abi-Saab, 1997
