The Obsession The Beloved:

Dreams of Love and Fateful Encounters Ethel S. Person, 2007-04-02 This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis romantic passionate love Ethel Person views romantic love as a powerful agent of change arguing that it is as central to human culture as it is to human existence This new edition of Dreams of Love and Fateful Encounters emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love related issues from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability Dr Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love She acknowledges love's vital importance and power proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love Among the issues she discusses are romantic love's sources in our early lives its relationship to imagination and creativity and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover's internal soliloquy and external dialogue with the beloved that can develop over an individual's life An uplifting resource for people experiencing failing or unorthodox romances Dreams of Love and Fateful Encounters boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life

The Quest to Feel Good Paul R. Rasmussen, 2011-01-19 Emotions rather than simply being the result of random or disordered biochemical processes are adaptive mechanisms that are often overly relied upon as a function of basic learning processes The Quest to Feel Good helps the reader understand that negative emotions serve a critical adaptive purpose that functions in relation to one's ultimate desire for a felt positive state Paul Rasmussen addresses the role of emotions as adaptive components in combination with cognitive and behavioral processes to our overall orchestration of life To this end the therapist is directed to use a client's negative affect as a means of guiding critical therapeutic conclusions and decisions Rasmussen emphasizes an integration of the basic premises of Adlerian psychology with the evolutionary imperative model presented by Theodore Millon 1990 1999 This integration is used to explain the primacy of emotions in the

manifestation of most clinical conditions This critical integration and focus makes the volume important necessary and unique to mental health professionals Case examples and illustrations are also offered throughout the text **LOVE** Adrian Gabriel Dumitru,2021-03-22 LOVE the pathless path that goes to your soul Is really love a necessity for our lives Why can t life be much simple mathematical with very clear rules to follow Why we need to fall in love We should spend our lives only following the path the society taught us about finish school get a job make money try to be successful retire and then die Why we need this complicated story of studying what love is about Well first all of you have a heart inside of you to feel the life and being in a love story everything becomes more real Following just the paths the society told you about should be boring This is why lots of poets and writers wrote so much trying to define the meaning of love in our lives When you are the kind of person that look at life in a logical and rational way falling in love looks like useless like a pathless path But discovering the love feelings in a time when everything looked like boring in your life redefines everything Is never a good moment to fall in love cause you will always need to do something in the real life and looks like there is no time to loose for those silly feelings but one day when the feelings become so strong inside of you you realise that you just started to feel ALIVE You always did what other taught you to do in life the parents friends teachers or people you know but no one came to you to whisper the secret of life IF YOU WANT TO FEEL ALIVE JUST LET YOUR HEART TO FALL IN LOVE You might loose your soul your heart your mind but you will feel being alive No other path gives you those feelings Yesss truth be told LOVE is the pathless path but it goes to your soul **The Obsessions of Georges Bataille** Andrew J. Mitchell,Jason Kemp Winfree,2009-10-23

Considers Bataille s work from an explicitly philosophical perspective *The Beloved Ego, Foundations of the New Study of the Psyche* Wilhelm Stekel,1921 **The Beloved Ego** Wilhelm Stekel,1921 The beautiful and the dark side of a love story Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an impossible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also

beautiful way all those amazing moments spent together **The Beloved House** Thomas Matthews Pearce, 1940 **The Love Complex** Thomas Dixon (Jr.), 1925 **The Beloved Sinner** Rachel Swete Macnamara, 1919 **The Love of God, and Spiritual Friendship** Saint Bernard (of Clairvaux), William (of Saint-Thierry, Abbot of Saint-Thierry), Saint Aelred (of Rievaulx), 1983 A collection of writings by Saint Bernard and two of his contemporaries St William of St Thierry and Aelred of Rievaulx
