**The Book of Enoch the Prophet** Enoch,2015-09-11 The book of Enoch is one of the strangest of the books left out of the Biblical canon Filled with goetic angels and demons and visions of inconceivable lands beyond the sky The Book of Enoch the Prophet Translated by the late Richard Laurence Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic 1 interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Irenus and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Irenus assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God s messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A.D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not

to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men 2 From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven

The Book of the Secrets of Enoch the Prophet Richard

Laurence,2020-09-28 In the ized Version of the Epistle of Jude we read the following words Enoch also the seventh from Adam prophesied of these saying Behold the Lord cometh with ten thousands of his saints to execute judgment upon all and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed and of all their hard speeches which ungodly sinners have spoken against Him Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic1 interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Iren us and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Iren us assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God s messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude 1 The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses

personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven Turning to the Book of Enoch we read After this I besought the angel of peace who proceeded with me to explain all that was concealed I said to him Who are those whom I have seen on the four sides and whose words I have heard and written down He replied The first is the merciful the patient the holy Michael The second is he who presides over every suffering and every affliction of the sons of men the holy Raphael The third who presides over all that is powerful is Gabriel And the fourth who presides over repentance and the hope of those who will inherit eternal life is Phanuel We thus discover the source of Origen's apparently superhuman knowledge and detect his implicit trust in the Book of Enoch as a Divine revelation When primitive Christianity had freely appropriated the visions of Enoch as the materials of constructive dogmas this remarkable book gradually sank into oblivion disappeared out of Western Christendom and was eventually forgotten by a Church which unconsciously perpetuated its teaching as the miraculous revelations of Christianity

Enoch Son of Jared,2017-06-23 The Book of Enoch is an ancient Jewish religious work ascribed by tradition to Enoch the great grandfather of Noah although modern scholars estimate the older sections mainly in the Book of the Watchers to date from about 300 BC and the latest part Book of Parables probably to the first century BC It is not part of the biblical canon as used by Jews apart from Beta Israel Most Christian denominations and traditions may accept the Books of Enoch as having some historical or theological interest but they generally regard the Books of Enoch as non canonical or non inspired It is regarded as canonical by the Ethiopian Orthodox Tewahedo Church and Eritrean Orthodox Tewahedo Church but not by any other Christian groups It is wholly extant only in the Ge'ez language with Aramaic fragments from the Dead Sea Scrolls and a few Greek and Latin fragments For this and other reasons the traditional Ethiopian belief is that the original language of the work was Ge'ez whereas non Ethiopian scholars tend to assert that it was first written in either Aramaic or Hebrew Ephraim Isaac suggests that the Book of Enoch like the Book of Daniel was composed partially in Aramaic and partially in Hebrew No Hebrew version

is known to have survived It is asserted in the book itself that its author was Enoch before the Biblical Flood The authors of the New Testament were familiar with the content of the story and influenced by it a short section of 1 Enoch 1 En 1 9 or 1 En 2 1 depending on the translation is quoted in the New Testament Epistle of Jude Jude 1 14 15 and is attributed there to Enoch the Seventh from Adam 1 En 60 8 The text was also utilised by the community that originally collected the Dead Sea Scrolls

**Antarctica: the prison of fallen angels in Enoch's prophecy** Cinzia Palmacci,2023-09-21 Why do so many powerful people on Earth often go to Antarctica What do they know about us that is important Is Antarctica the kingdom of the antichrist One thing is certain the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity We see this from the iniquitous laws of a ruling class in corrupt and evil minded power It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist And it doesn't seem to be that far off Knowing is defending and reacting Enjoy reading BOOK OF ENOCH GEORGE HENRY. SCHODDE,2018 The Book of Enoch Enoch,2018-09-16 The Book of Enoch is one of the most notable extant apocryphal works of the Bible Estimated to have been written around 300 BC this ancient Jewish religious work is ascribed by tradition to Enoch the great grandfather of Noah Consisting of five distinct sections the book begins with the fall of the Watchers angels who fathered the Nephilim the offspring of sons of god and the daughters of men The book follows Enoch as he travels through Heaven and expands more thoroughly than the Book of Genesis on the early kingdom of Israel and the events leading up to the great flood of Noah Many themes common to other Biblical apocalyptic stories can be found here despair by the godly for their world a world where goodness did not matter and where evil triumphed and prospered With evil everywhere around the Apocalypticists saw no hope for the world as it was it must be destroyed if the good were ever to triumph This edition is printed on premium acid free paper and follows the translation of R H Charles *The Blessing of Enoch* Philip Francis Esler,2017-06-09 In recent decades the ancient apocalyptic work 1 Enoch has been intensively explored for its historical meaning and its contribution to Israelite and Christ movement thought and identity Yet its theological meaning what it can contribute to understanding of the divine human interface today has been neglected by scholarship This is surprising given that 1 Enoch is Scripture for the Ethiopian and Eritrean Orthodox churches and has been a major influence on Christian theology experience and art in Ethiopia since the fifth and sixth centuries CE This book inaugurates a project in Western scholarship to bring 1 Enoch into theological discussion It contains a number of essays delivered at meetings in Addis Ababa Ethiopia and Cheltenham England involving scholars from Ethiopia Germany the UK and the USA The papers cover topics such as the appropriate theological response to a text that is Scripture for only some Christians the role of 1 Enoch in Ethiopian ecclesial and theological tradition the theological potential of 1 Enoch in areas such as the environment politics social justice Christology persecution the problem of evil and how 1 Enoch stimulates artistic expression today The Blessing of Enoch aims to launch a wider discussion on 1 Enoch and contemporary theology **The Book of Enoch** George Henry

*Book of Enoch's Secrets* Rev. Joseph Klaus,2020-08-06 Enoch Chanoch or Hanokh is the name given to one of the most peculiar and mysterious biblical characters in Scripture He was born according to the Jewish writings in the seventh generation after Adam being the son of Jared and father of Methuselah Enoch is the subject of many Jewish and Christian traditions He was considered the author of the Book of Enoch and also called Enoch the scribe of judgment According to the Hebrew written tradition called Tanakh reported in Genesis chapter 5 verses 22 24 Enoch would have been taken by God so that he would not experience death and would have been spared the wrath of the flood And Enoch walked with God after he begat Methuselah three hundred years and begat sons and daughters And all the days of Enoch were three hundred and sixty five years And Enoch walked with God and he appeared no more because God took him There are two extraordinary aspects in Enoch's account focused on in these verses which have not been focused on in other generations the indications in the text that he walked with God and the fact that he supposedly would not have died because God took him These accounts were the origin of many fables and midrashim deeper rabbinical studies of wise Jews over the centuries Many of them were very bothered by the fact that Enoch only lived 365 years a short life span for his time according to the book of Genesis About this biblical character there are also the apocryphal pseudoepigraphic books Book of Enoch I and Book of Enoch II which are part of the canon of some religious groups mainly the Christians of Ethiopia but which were rejected by the Christians because they were not inspired by the Holy Spirit and the Hebrews because they were particularly troublesome from the political point of view However the epistle of Judas in the biblical New Testament makes express mention of the Book of Enoch making a brief quotation in verses 14 and 15 of its single chapter According to The Book of Enoch with comparative study of the main translations there are several books attributed to Enoch three of which are the best known The Book of Enoch or Ethiopian Enoch or Enoch 1 The Second Book of Enoch or Slavonic Enoch and The Third Book of Enoch or Hebrew Enoch The best known is the first one which is included in the Ethiopian bible is considered authentic by the Jews of Ethiopia and was considered authentic by the Jews until about the year 200 having been part of the Hebrew biblical corpus until that time and having been removed by a rabbi for several reasons including politics About 200 years later St Jerome in charge of creating the Christian bible based himself on the principle of Hebrew truth which meant

that the books considered authentic by the Jews from the Old Testament were authentic For this reason the Book of Enoch fell into oblivion in the West until it was found more than a thousand years later The Book of Enoch Enoch 1 was first translated and published in Brazil in 1982 The Book of Enoch is extremely controversial because it addresses sexual and racial issues One of the controversies is that of the fallen angels who descended from heaven to have sexual relations with women they considered attractive and generated giants that destroyed the Earth Another polemic is that according to one passage Adam and Eve had black children and Adam was white which indicates that Eve was black According to the account in Genesis about the age of the patriarchs Seven and their children were still alive when Enoch was taken by God as well as Methuselah and Lamech

**The Book of Enoch Prophet** R. H. Charles,2012-06-01 This superlative translation by noted scholar and theologian R H Charles is one of the best and most complete available Along with the renowned translation by R H Charles this edition includes two introductions One by noted esoteric scholar and antiquarian bookseller R A Gilbert who helps readers understand the historical context of The Book of Enoch and dispels many of the myths dubious interpretations previously attributed to it The other by Lon Milo DuQuette an expert on mysticism and the occult spiritual literature The vision of the Apocalypse portrayed in The Book of Enoch takes a very different view from that of Western Christians although it is part of the biblical canon for Ethiopian and Eritrean Christians According to Enoch the wicked shall be cast out and the good will realize a literal heaven on Earth The prophecies also contain the lost Book of Noah early references to a messiah as Christ and an accounting of the angels and subsequent creation of demons

**The Book of Knowledge** J. J. Hurtak,1987-12-01 *Related Worlds - Studies in Jewish and Arab Ancient and Early Medieval History* Moshe Gil,2023-07-28 An element common to all the articles collected here is the attempt to make parallel use of sources from different cultures Biblical and Talmudic Hebrew Greek and Latin Arabic and Judaeo Arabic comparing these different but complementary sources in the investigation of topics in Jewish and Arabic history In the first studies Professor Gil deals primarily with the Roman and Byzantine periods elucidating how a Biblical term was understood the historical significance of

passages from the Mishna and the origins of the Book of Enoch The next group is concerned with the history of early Islam during the years in which the Prophet Muhammad lived and worked and later traditions of this period The final studies are based specifically on sources from the Cairo Geniza and examine a term of Greek origin and questions of taxation and commerce
