## **Sweet Ransom:**

**Race Traffic** Gunther Peck,2024-12-10 Fantasies of white slavery and the narratives of victimhood they spawn form the foundation of racist ideology They also obscure the lived experience of trafficked servants and sailors in the seventeenth and eighteenth centuries Gunther Peck moves deftly between the Atlantic and Mediterranean worlds to discover where and when people with light skin color came to see themselves as white Separating fact from fiction and paying close attention to the ideological work each performs Peck shows how laboring women and men leveraged their newfound whiteness to secure economic opportunity and political power Peck argues that whiteness emerged not as a claim of racial superiority but as a byproduct of wide ranging and rancorous public debate over trafficking and enslavement Even as whiteness became a legal category that signaled privilege trafficking and race remained tightly interwoven Those advocating for the value of whiteness invoked emotionally freighted victimhood claiming that so called white slavery was a crime whose costs far exceeded those associated with the enslavement of African peoples across the Americas Peck helps us understand the chilling history that produced the racist ideology that still poisons our politics in the present day     *The Best* Tinnean,2019-12-18 After seeing his father s profligate ways almost destroy the family business Ransom Burke has instituted a firm policy of no work fraternization When his longtime lover leaves him for a woman Ransom vows never again to let anyone get close to him He informs all future lovers he ll shower them with gifts as long as they remain monogamous However at the first sign of straying they ll receive a bouquet of white roses tipped with gold and the affair will be over Man after man chooses straying over Ransom until the day the very appealing Parrish Rutledge comes to work for him That means Parrish will forever be out of his reach Parrish has been alone since he was sixteen having been tossed out when his older brother discovered he was gay He s immediately attracted to his new boss but even though he dreams of Ransom he knows due to the company policy it can t go anywhere But in the aftermath of the office Christmas party things change between them and Parrish is given a choice keep his job and know he can never again see Ransom as anything other than his boss or quit and become his lover The one is unthinkable and as for the other Ransom is a serial monogamist who doesn t have the best track record Parrish s choice will either lead to a Christmas Day where once again he ll be alone or the best present ever will be under his tree

John Jenna Myles,2024-03-30 I never planned on getting out of prison I did what I did to keep my brother safe and I could live with that But now I m out and I don t know what the hell I m doing Everything is too loud too busy too overwhelming And for a man who s used to every decision being made for him well let s just say I m on the verge of doing something stupid to get sent back Until she walks in that is She s dangerous with her pink hair sunny personality and a body that makes me all too aware that I haven t been with a woman in eighteen years But a woman like that made of pure sunshine should stay far away from a scarred broken man like me Only she doesn t agree And soon I find myself spending way too much time with her Feeding her Laughing with her Worrying about her But she can t be mine Because a man like me doesn t deserve a dream
