Sweet River:

Blood in Sweet River John Shirley, 2024-08-20 Civil War veteran Cleve Trewe locks horns with a ruthless cattleman who is hungry for land thirsty for power and out for blood BLOOD IN SWEET RIVER After a long hard journey west Cleve Trewe is ready to settle down He has got his beautiful wife Berry in San Francisco a baby on the way and his sights set on a gorgeous piece of land in the Sierras This sweet slice of heaven is aptly named Sweet River and it is the perfect place to build a ranch farm and home for his family Problem is Cleve is not the only one with his eyes on the land A big time cattle baron named Asa Hawthorn is prepared to use threats intimidation and armed thugs to get what he wants Worse yet Cleve knows the man from the darkest days of the Civil War Cleve is not about to surrender his claim He has got his buddy Kanaway by his side a family of Paiute Indians on his team and the property papers ready to sign That is when the real trouble starts To squash the deal Hawthorn unleashes his deadliest henchmen including a would be gunfighter from Cleve's past and a killer for hire who never misses The Paiute family recognizes some of them as the men who slaughtered their tribe a massacre that Cleve suspects was the work of Asa Hawthorn Either way a major battle is brewing And the crystal blue waters of Sweet River are about to turn red

Sweet Water Stephen Fleenor, 2012-03-09 Fleenor's new novel Sweet Water is walking the tightrope between the genre of American Theological History and poignant short stories of broken people looking for meaning It takes its title from a fictitious small town in Oregon not far from the I 5 corridor Somewhere out there there is a serial killer The diverse characters are strong men and women enduring against great odds Scarred they still seethe with their frayed emotions Sweet Water is a readable story of an archetypical American Church known as the Restoration Movement This one American Church is divided and troubled It reflects our polarized America In this land of pragmatist some atheist and agnostics find little use for Christianity since they see it in conflict with their changing mores In contrast other Americans hold on desperately to an increasingly extreme fundamentalist faith Is there a middle course Can a truth seeker find an authentic faith Mr Fleenor's multi layered answer will rivet the reader's interest

Mentor to a whole generation of Irish musicians, he holds a unique place in musical history. In 1992 he broke all attendance records during 12 packed nights at the Point in Dublin. In the UK he fills concert halls around the country. In 1997 he announced that he was taking an extended break from touring and recording. It was headline news in Ireland. So was his comeback which began in 1999. Set to be an enormous best seller, his autobiography marries both songs and memories. Around 250 of his favourite lyrics are accompanied by his memories around the song itself and his life. Each entry is fresh, direct, honest and spontaneous, like the most intimate diary. Through it he charts his life from drunk to sober, bar room guitar player to international singer-songwriter **Narrative of the Exploring Expedition to the Rocky Mountains in the Year 1842, and to Oregon and North California in the Years 1843-44** John Charles Frémont, 1846 **Poems - Songs and Letters** Vance, 2016-02-26 The poems, songs and letters described and written in this the *Awesome Oak* volume by Vance refer to people, places or events either experienced by or known to the author.
