A Critic s Review *Stranger From Home* is a beautifully written novel and proves conclusively that an epic can be written in fewer than 200

pages It is a novel to be savored not just for its characters who emerge in the tale as if from the very soil but also for its substance The key to life in this story is belief whether it be in God or fate or love or anything Cole fails because he is a true cynic Sary ultimately succeeds oil is found on Worthington land land Cole once abandoned because she says I had faith And JT wins too because he believed in battle the necessity of tension in everyday life He becomes a man This novel is likely to remain undiscovered for years but it should be recognized someday as a near classic novel of the American spirit Chris Goodrich in The San Francisco Review of Books
